Summary/Description

The Belize 66 Sedan epitomizes a single-level lifestyle design that perfectly encompasses ultimate motor yachting luxury and distinctive style. Craftsmanship without equal. Customization with no peer.

Belize 66 Sedan Motor Yacht

Single-level lifestyle design perfectly encompassing ultimate motor yachting luxury and distinctive style. Designed by 4D Designs in collaboration with the Riviera and Belize design team, the Belize 66 is in a class of her own. Craftsmanship without equal. Customization with no peer.

Enter via transom gates into a large, teak-laid cockpit with tender garage beneath, or through the side bulwark doors. Personalise the entire massive saloon area with select fabrics and bespoke finishes. The U-shaped galley, forward dining area and free-standing lounge will all delight. There's an electric sunroof above. Outside, wide high side decks lead to the sunlovers' foredeck.

Discover the skipper's helm forward. Expansive dashboard features state-of-the-art navigation aids, simple touchscreen operation and effortless joystick control. Volvo Penta Inboard Performance System (IPS) delivers exhilarating performance and impressive economy.

Descend the forward staircase to port to the accommodation deck. Choose from three or four-stateroom designs with three luxury bathrooms. Option of additional crew quarters or utility room.

A limited number of Belize Motor Yachts are built each year. This means that you will own and command something quite different and unique...

Manufacturers Description

Luxury marque Belize has commenced the build of the latest in its line of classically-styled motor yachts, the Belize 66. The model builds on the heritage, first unveiled in 2011, of a luxury motor yacht that evokes the styles of a bygone era of yachting, of gleaming hand-crafted interiors and, most importantly, of individuality. The original Belize 54 quickly attracted owners who, after many years of boating, knew exactly what they wanted and had found a passionate team who could help them create their ultimate motor yacht. Now Belize has taken the concept of a semi-custom motor yacht to a new level with the Belize 66, a vessel that delivers a new sense of space, comfort and luxury and offers an unmatched level of customization and bespoke elements. Available in Sedan or Daybridge models, the Belize 66 offers three or four cabins with a large space between the mid-ship master stateroom and the engine room that can be optioned for a wide range of purposes.
