Summary/Description

Used Sail Catamaran for sale

It's rare to see a VOYAGE 480 on the market, so don't miss this opportunity! 4 Cabin/4 head Layout -Heads having separate showers.

The much loved and Sought after Voyage 480 has grown a following amongst discerning sailors who enjoy the comforts of luxury charter yachts, and performance of fast cruisers. It is very well upgraded beyond the standard Voyage 480 specification, including generator, air conditioning, water maker, ice maker, electric controls for all sail handling, AIS, and more.

Excellent sailing catamaran. Fully outfitted for safe offshore sailing or day hoping islands. Easily sailed with two people but can also be comfortable with up to 10 people on board. This is a great all-around catamaran. Equipped with Max-Prop feathering props. The actual Length is 49'6".

Here is a great Opportunity to take immediate ownership of a late model blue water, luxury cruiser.

The boat lost its rig in hurricane Irma. The mast and rigging were replaced in late 2018. There was no structural damage to the hull.
