Price reduced 50k!

Now in Fort Lauderdale.

Seakeeper equipped 2022 with warranty.

Full wax December 08, 2023, bottom job December 2023, prop speed on props, pod service 2024.

Very Clean, Garmin Electronics, Joystick, Tender, Hydraulic Platform, SeaKeeper, 400GPD Water Maker, Galley Up And Aft.

The Absolute 50 Flybridge has a 3 stateroom layout plus crew quarters giving it plenty of room for entertaining. Partnered with the ease of joystick control, AIS , bow thruster, and the newest Garmin active captain technology it allows for more owner operators. The 50 is very well designed and captivates your senses through elegant yet neutral color combinations, fine materials, and exquisite finishing touches. Compare this layout and space and you will see.

The exterior lines are impressive with uninterrupted window views created with the reduction in the typical pillars on other builds. This has equally benefited the lower deck cabin windows and salon.

Opportunities for outdoor entertaining are three fold. The versatile aft cockpit that is directly connected to the galley with opening sliding doors that connect inside to outdoors. The sofa is easily converted into a large sunpad for soaking in the warm sunshine. The flybridge has an impressive hardtop with opening sunroof, and this is among the largest flybridge in its class. To port is a large table surrounded by a sofa. In addition, it also features a full bar space and upper helm with double seating. Another comfortable sun lounger is well appointed in the front so your guest can interact with the driver.

The third outdoor space is the sunbathing area located at the bow which is easily accessible through a pleasant and well-protected walkway.

The Absolute 50 Fly implements concepts and solutions typical of bigger luxury motor yachts. The IPS-600 systems provide best performances, low fuel consumption, silent movement and absence of vibration. This yacht was well thought out with nice real live-ability.

Extra Options

Seakeeper 6 Added 2022 has under 100 hours , 2023 oil and filters changed Pods

Salon and helm

The salon has great 360 Degree views with a large u-shaped dinette with additional seating to port. Pop up Flat screen, ac controls, and wine cooler are to starboard side just below helm seat. The main deck helm station is ergonomic, well-equipped, opening side door that is particularly helpful when maneuvering, and complete controls for the yacht.

The furniture in the salon has been redesigned to offer additional stowage space and maximizes the interior volume, this provides a comfortable place to relax after a long day in the sun. Furthermore, large sofas, furnishings, new air conditioning systems, and the entertainment area contribute to making the onboard experience truly delightful.

Master Stateroom, VIP and guest , 4th Guest or Captain

1) Located midship on the lower deck, this full-beam master cabin is very spacious, refined with elegant and color combinations and larger berth, and equipped with big storage spaces. Large windows allow for views of the water. 40" Flat screen , refrigerator and owners safe. Large Closet with shoe storage and The en-suite head is lavishly decorated with the finest materials possible and glass shower.

2) The VIP cabin also covers the entire beam of the boat. It is comfortable and the berth is maximized for comfort with an ensuite head that has double access from both the stateroom and the companionway. The Windows throughout very large to allow for the most light.

3) Finally, the third guest cabin has two side by side berths unlike other builders and a walk-in closet. Flat screen Tv , Large closet and nice windows .

4) The aft crew cabin can be easily used for extra guests if desired. As an option ,The original owner built the captains cabin with the same finishes as the guest staterooms. It has a very large window to allow for natural light.

Bow seating & Sunpad

Walking along the sidedecks this original owner ordered with several boarding spots , large rails securing you, as you walk forward, as you approach the bow , you notice the most modern design only available on the newest models.

This split seating /sunning design allows for both sitting on the couch with stereo and folding table but also has a separate sun bed in front with adjusting headrest. This makes the bow a great space to see the sunset views or hanging out while cruising at slow speeds. Access from the lower helm thru a door on starboard to access lines quickly.

- Couch Seating and separate Sunbed
- Stereo with Speakers
- Full Covers for seats and bed
- Access Hatch from Vip
- Windless Control

Flybridge with Hardtop

As you walk up the starboard side stairs all the way aft is a U shape sitting area with large wood table, above is an impressive Hard top with built in sunroof and just forward is an entertainment area with sink, ice maker, refrigerator and cutting station . Forward L shape sitting with full sun bed all the way forward. This is a great design as your guest can interact with owner as he is driving while either sitting or getting sun.

On the opposite side is your helm station with two sport chairs with diamond stitching , large 15" Garmin display, spot light, VHF Radio, full stereo system, IPS joy stick, bow roster control and engine display.

NOTE: storage for life raft cushion , underneath the couch.

- Ice maker
- Refrigerator
- Sink
- Covers For all seating and tables
