## Summary/Description

2009/2022 43 Nor-tech Offshore Interceptor Welcome aboard this 43 foot beast that is one of the more amazing refit projects in the center console world that you will ever see.

This vessel was built in 2009 for the Customs and Border patrol to be a demo boat for high speed operations. In 2015, she was finished as a demo boat and the Nor-Tech was equipped with brand new quad 300 Mercury Verados. In 2021/2022 the boat has received an immense amount of high end upgrades creating a truly luxury center console that will be listed below in the description. Every inch of this boat has been gone through and upgraded and is a sight to see in person. For around 400k this boat offers outstanding value and size. Call the listing broker today for more information.

### *Key Features/Upgrades:*
