20KW

Summary/Description

"M" is a beautiful silver hull Azimut 2008 86S, Jet Drive Express Yacht. She has undergone extensive upgrades during a refit in 2020-2021.

"M" is a beautiful silver hull Azimut 2008 86S, Jet Drive Express Yacht. She has undergone extensive upgrades during a refit in 2020-2021. The interior accommodations were completely redone, consisting of 4 staterooms and four heads. She has a new FLIR camera, Smart TVs, latest WiFi, SONOS Sound System, fixed and mobile camera systems, new flooring, custom Salon furniture, and updated Engine/Generator major service, as well as a recent haul out with full bottom paint, jet tunnel cleaning, and zincs replaced in June 2022. The previous Owner had also painted the hull an eye-catching silver roughly two years ago.

Yacht "M" has a proven charter program that generated \$500K in gross revenue with 90 charters out of the Miami Beach Marina when in place for a full year. Yacht "M" charter program consists of both Miami Day charters and overnight charters to The Bahamas and has been managed by the same yacht broker for several years, with many repeat charter clients. The new Owner who recently purchased this yacht just a few months ago, is looking to move into a larger yacht to accommodate his family during his personal use trips and for long term charters based in The Bahamas.

Specifications

LOA: 88'4" / 26.97 M

Beam: 20'1" / 6.15 M
