

Sea Dreams

132' (40.23m) 1995 North Coast 132
Palm Beach Florida United States

OVERVIEW

\$5,900,000

Manufacturer:	North Coast		
Engines:	2 Detroit Diesel	Hull Material:	Fiberglass
Engine Model:	149E 16V	Cruise Speed:	12.5 Knots
Engine HP:	2400	Max Speed:	20 Knots
Beam:	26' 0"	Cabins/Heads:	5 / 6
Max Draft:	7' 0"	Fuel Type:	Diesel
Water:	2000 G (7570.82 L)	Fuel:	9400 G (35582.85 L)

Data Sheet

Category: Motor Yachts
Condition: Used
Model Year: 1995
Beam: 26' (7.92m)
Max Draft: 7' (2.13m)
LOA: 132' (40.23m)
Cabins: 5
Sleeps: 10
On Deck Master: Yes
Heads: 6

Crew Cabins: 4
Crew Sleeps: 6
Maximum Speed: 20 Knots
Cruise Speed: 12.5 Knots
Range NM: 1800
Fuel Type: Diesel
Super Structure Material: Fiberglass with Core
Hull Material: Fiberglass
Hull Shape: Semi Displacement

Displacement: 628000 Stabilizer Brand: Naiad
Fuel Tank: 9400 gal (35582.85 liters)
Fresh Water: 2000 gal (7570.82 liters)
Builder: North Coast Yachts
Interior Designer: Robin Rose & Associates
HIN/IMO: Pending
Stock #: B93367

Summary/Description

SEA DREAMS is a 132-ft motor yacht, custom built by Northcoast Yachts and recently refitted in 2018.

SEA DREAMS is a 132-ft motor yacht, custom built by Northcoast Yachts and recently refitted in 2018. Her luxurious interior is designed by Robin Rose & Associates and her exterior styling in by Northcoast Yachts.

With five luxurious rooms, including a master suite and VIP stateroom, SEA DREAMS is perfect for personal use or chartering. Timeless styling, beautiful furnishings, and sumptuous seating feature throughout to create an elegant atmosphere. And with the ability to accommodate up to six crew members, you can sit back and enjoy the sea.

SEA DREAMS' incredible amenities provide you with so much more than just a stunning ship. She boasts a sundeck Jacuzzi, Starlink/WiFi connection, and a range of water sports equipment.

SPECIFICATIONS

Length: 132 ft/40.2 m

Beam: 26 ft/7.9 m

Draft: 7 ft/2.1 m

Year Completed: 1995

Builder: Northcoast Yachts

Model: Motor Yacht

Hull Configuration: Semi-displacement

Keel: Modified-vee

Hull Construction: Fiberglass

Superstructure: Fiberglass with Core

Decks: Teak over Fiberglass

Main Engines: 2x Detroit 149 E 16V 2400hp

Engine Hours: 4,800 since MOH

Gearboxes: ZF

Generators: 2x 50 kW Northern Lights

Shorepower Converter: 60 kW Atlas

Fuel Capacity: 9,400 gallons/35,579 liters

Water Capacity: 2,000 gallons/7,570 liters

Holding Tank: 400 gallons/1,514 liters

Cruising Speed: 12.5 knots @ 1250 rpm 1800 nm

Max Speed: 20 knots @ 2100 rpm 700 nm

Displacement (approx.): 628,000 lbs

Anchor Windlass: 2x Maxwell 6000

Anchor Chain: 2x 450'

Passarelle: Marquipt

Boat Crane: Nautical Structures

Sewerage Treatment: Head Hunter

Stabilizers: NAIAD

Fuel Separator: Alpha Laval

Bow Thruster: 70 hp hydraulic

Water Maker: 40 gallons/hr

Lube Oil Capacity: 200 gallons/760 liters

Used Oil Capacity: 200 gallons/760 liters

Guest Staterooms: 5

Crew: 6

Jet Skis: 2x Yamaha VX Cruiser

Various water toys and dive compressor

Upgrades

2019

- Replaced main engine mounts
- Replaced stabilizer bearings and seals

2020

- New main breakers in main switchboard
- Rebuilt both 50 kW generators
- Replaced bow thruster hydraulic manifold and upgraded hydraulics
- Installed V-sat internet
- Rebuilt the cooling for the hydraulics

2021

- Replaced all the toilets- upgrades to Headhunter
- Total exterior paint job
- New interior deck heads
- New main engine and generator exhausts
- Garage hydraulic ram rebuilt
- All new fuel lines on main engines and generators

2022

- New Atlas shorepower converter
- Starboard gearbox rebuilt
- Port gearbox new oil pump and major service
- New decks
- 50 kW alternators washed and baked
- 50 kW generators new rectifiers
- Rebuilt passarelle with all new hydraulics

2023

- New AC chillers and control system
- New propellers
- New shaft seals

Full Details

FIRE FIGHTING & SAFETY EQUIPMENT

- Fire Pump System: 220-volt raw water bilge and fire pump
- Life Raft: (2) 16-person Elliot

- Life raft hydrostatic release
- Life Jackets: (31) Adult type II; (5) Child type II
- Bell
- Flares: Orion
- EPIRB: ACR 406
- EPIRB hydrostatic release
- Life Rings: (2) 24" and (2) 30" USCG-approved

ELECTRICAL SYSTEM

GENERATORS

- (2) Northern Lights M668QT-50L 50 kW - located starboard and port forward in the engine room
- Voltage: 120/208
- RPM: 1200
- Frequency: 60 Hz

NIGHT GENERATOR

- (1) Northern Lights M4450-301 30 kW - located port aft in the engine room
- Voltage: 120/208
- RPM: 1200
- Frequency: 60 Hz

BATTERY CHARGERS

- (2) Newmar 24-volt 95-amp
- Storage Batteries, engine: (11) 12-volt
- Lighting: 110-volt AC

BATTERY INSTALLATION

- (4) 12-volt 8D- under pilot house port
- (4) 12-volt 8D- electrical control room starboard
- (2) 12-volt 8D- engine room port
- (1) 12-volt 8D- engine room starboard

Switchboard in engine room, pilothouse, electrical control room, galley, accommodation deck, companionway, crew quarters

TANKAGE

- Fuel Capacity: Total 9,400 gallons/35,579 liters (6 tanks)

- Water Capacity: 1,000 gallons/3,785 liters (1 tank)
- Holding Tank: 400 gallons/1,514 liters (2 tanks)

ELECTRONICS

- Radar: (2) Furuno
- VHF: Icom-M412; Icom-M604
- SAT TV: KVH TracVision HD7
- GPS: Furuno, Garmin
- Depthsounder: Furuno FCV581/B&G digital display
- Compass: Richie magnetic
- AIS: Furuno FA-150
- Searchlight: (2) ACR remote operated
- SATCOM: KVH mini VSat Broadband
- Autopilot: Robertson AP45
- Plotter Program: Nobeltec

DECK EQUIPMENT

- Ground Tackle: (2) 88 kg anchors with 500' of chain each (approx.)
- Windlass: (2) Maxwell hydraulic
- Cleats: Stainless steel
- Safety Rails: Stainless steel

HYDRAULICS

- Bow Thruster: NAIAD hydraulic
- Davit: Nautical structures, electric/hydraulic
- Stabilizers: NAIAD Dynamics, electric/hydraulic

AIR CONDITIONING

- Manufacturer: Cruisair chilled water
- (1) Raw water cooling pump
- (1) Fresh water circulation pump
- (5) Compressors
- Dockside raw water operation capability

EQUIPMENT

- (2) Transom xincs
- (4) Underwater transom lights
- Main engine underwater exhaust
- Stabilizer fins, port and starboard

- Transducer, centerline forward
- Bow thruster with (2) 4-bladed propellers and (2) zincs
- Draft marks, port and starboard aft
- (2) Hull zincs above each shaft
- Stainless steel anchor pockets, port and starboard
- (5) Hawse eyes, port and starboard
- (9) Oval shaped portholes, port
- Lower stainless steel rub rails, port and starboard mid-ships aft
- Stainless steel rub rail
- Stainless steel rub rail across swim platform

MAST

- Aluminum mast on fiberglass base
- Addition mast with anchor light and wind vane
- Fiberglass antennas for VHF radios
- Large satellite dome
- KVH TracVision HD7 satellite television dome
- KVH TracPhone dome
- (2) Furuno radar antennas
- (2) ACR full function search lights
- (2) Closed circuit television cameras
- (8) Stainless steel air horns
- Forward steaming navigation light
- (4) Up-lights
- Hot and cold faucets with spigot, port side
- Aft facing flood lights

SUN DECK

- Teak decks
- Hot tub aft on centerline below mast
- Stainless steel windshield frame with black windshield
- Built-in seating to port, starboard and aft on centerline
- Seat cushions and seat back cushions for all seating
- Storage below center seat
- Equipment access aft of center seat back rest
- (2) Teak chairs with seat cushions
- Small teak table
- (2) Small fiberglass antennas and one small satellite dome forward of the windshield
- Indirect lighting port, starboard and forward
- 110-GFCI receptacle
- (2) 2 1/2 lb fire extinguishers

SUN DECK HELM

- VDI monitor

- (2) Digital engine displays
- Port and starboard main engine shut down switches
- Standard speaker
- Bow thruster control
- Robertson FU 91 tiller control
- Robertson RI35 mk2 rudder angle indicator
- B&G depth finder
- Icom IC-M412 VHF radio
- Main engine control activation panel
- Stainless steel engine controls
- Clarion am/fm CD player
- (2) Speakers

BRIDGE DECK- BOAT DECK

- (4) Chaise lounge chairs and tables
- Aluminum hydraulic davit
- Large teak table with (12) chairs and umbrella
- Built-in lockers outboard port and starboard
- (2) Speakers
- Overhang with fiberglass
- Deck courtesy lights
- Teak steps
- Large console forward to port for BBQ
- Stainless steel Viking grill BBQ, propane

BRIDGE DECK- SALON

- Mahogany paneling, trim and molding
- Sharp TV
- Leather sofa with pillows
- Custom end tables port with green marble forward and (2) shelves and granite aft
- Leather ottoman
- (3) Fixed windows port and starboard with blinds and curtains
- Vinyl overhead with recessed lights, (4) stereo speakers, smoke alarm and air conditioning ducts
- (2) Upholstered chairs, port and starboard
- Sliding doors aft and (2) forward fixed windows aft with blinds
- (2) Insignia stereo receivers
- Built-in bar with upper and lower marble counter tops, liquor lockers forward, sink with hot/cold faucets, Marvel ice maker, Scotsman refrigerator, storage under the sink

BRIDGE DECK- COMPANIONWAY

- Vinyl overhead with (5) recessed lights
- Locker with upper and lower storage and drawer in the middle
- Custom paneled pocket door to the pilothouse, forward

BRIDGE DECK- HEAD

- Marble tiled sole
- Fabric wall covering
- Green marble counter top with recessed sink, hot/cold faucets
- 110-volt outlet
- Mirror above sink
- Microphor toilet
- Exhaust fan with timer
- Wall scone light
- Service access panel, outboard
- Vinyl overhead with (3) recessed lights

PILOTHOUSE

- Carpeted sole
- Stidd chairs with footrests and jog stick on center chair
- Nautical structures davit remote
- Port and starboard doors to the wing stations
- Fire and safety plan
- Vinyl overhead with recessed lights, smoke alarm and (2) stereo speakers
- (5) Windows forward and (2) side windows
- Raised C-shaped seating port aft with leather cushions, (2) steps up, custom granite table, (2) lockers under and storage under the seating
- Communication station aft with: Corian counter, swivel chair, (5) drawers, 110-volt outlets, Lenovo computer, keyboard and Samsung screen, Panasonic television, Cruisair ai conditioning control panel, Icom IC-M605 VHF radio, Furuno FA-150 Universal AIS, KVH Mini VSat broadband control panel, KVH Trac-Vision display, Furuno Fax receiver, Northcast tank level display, Northcoast warning alarm panel, Furuno GPS navigator GP-36 display, Furuno NavTex NX-300 display, HP Office Jet all-in-one, (2) book shelves above, (5) handheld crew radios
- Chelsea ships clock and barometer
- Locker under the deck with air conditioner air handler, Ansel Sentry CO2 fire extinguisher, (2) UPS, Panasonic telephone control box
- Pocket door to the bridge deck companionway/stairwell

HELM STATION CONSOLE

- 12-volt and 24-volt DC electrical panel port, with volt and amp meters
- Air conditioning ducts, port and starboard
- Sony MPS player
- Furuno GPS
- Furuno FCV-581 depth sounder
- (2) Furuno radar control panel and displays
- Stainless steel handrail, port and starboard
- Switches for port and starboard generator preheat, start/stop, port PTO, starboard PTO, bow thruster, windlass on/off, windlass up/down, windlass a/b, steering high/low
- Stainless steel steering wheel
- Robertson RI40 rudder angle indicator display
- Gyro compass

- Emergency stop button
- Naiad Dynamics stabilizer control display
- VEI screen centerline for chart plotter
- Richie magnetic compass
- (2) B&G H1000 digital depth displays
- Port and starboard engine start and stop displays
- (2) ACR URC-100 search light control panels
- Icom IC-M604 VHF radios
- Standard Horizon loud hailer
- (2) Wiper control switches and bow thruster jog stick
- Robertson AP45 autopilot
- Kahlenberg air horn control panel
- Detroit diesel station- active, synch, lo idle, troll panel
- Detroit diesel single lever controls
- VEI screen starboard for radar and closed circuit television camera displays
- Switches for navigation lights, ancho lights, mast flood, accent lights, dash lights, engine room lights, hot tub lights, fan, sonar down, (3) position switch for the defroster
- Garmin GPS Map 7212
- SEA 322 SSB radio
- Elbex closed circuit television control panel
- Telephone jack, starboard
- 110-volt electrical panel starboard with volts, hertz and amps gauges
- Green leather panels

UNDER THE PILOTHOUSE CONSOLE

- Engine controls on a wire
- Pains Wessex flares
- Buckeye halotron fire extinguisher
- First aid bag
- Comet line throwing device
- Air conditioning control panel
- Controls for the port and starboard air damper
- Fireboy engine shutdown normal/over ride display
- Emergency manual control switch
- (2) Battery switches
- RGC compensator for magnetic variation
- (2) Air conditioning air handlers, forward
- Hold lights, port and starboard
- (2) Newmar 24-volt 95 amp battery charger
- (2) Adult type II life jackets
- (3) Child type II life jackets
- Ratelco constant voltage rectifier
- (4) 12-volt 8D batteries, port
- Orion flare kit

BRIDGE DECK-PORT & STARBOARD WING STATIONS

- Access from the port and starboard watertight doors
- Teak decks
- Enclosed bulwarks
- Robertson FU91 non follow up tiller
- Bow thruster control jog stick
- Detroit diesel single lever controls
- Robertson rudder angle indicator
- Station active, synch, lo idle and troll display
- Emergency stop
- Station fold up cover

FOREDECK

- Fiberglass deck with teak overlay
- Bow cleats, port and starboard
- Fairlead, port and starboard
- 12" ships bell
- Raised fiberglass bulwarks
- Escape hatch from crew quarters
- (2) Maxwell 6000 anchors
- Windlasses
- Spring cleat, port and starboard, with fairleads
- Fresh water fill, port and starboard
- Hatch to chain locker

CHAIN LOCKER

- Access through watertights hatch on foredeck
- Port and starboard chains with partition between
- Port and starboard hydraulic winches
- Oil boom

BOSUMS LOCKER

- Watertight door, port and starboard
- Fluorescent hold lights with safety lenses
- (2) Air conditioning air handlers
- (2) Hairer chest freezers
- Daewood refrigerator
- Rod storage
- Hoshizaki ice maker
- Hydraulic davit base, forward
- (8) Dive tanks
- Assorted dive gear
- Hydraulic actuator to centerline hatch

MAIN DECK- EXTERIOR

- Fiberglass deck with teak overlay
- (2) Spring cleats, port and starboard
- Raised fiberglass bulwark
- Gangway, port and starboard
- Sliding door to starboard
- Main deck companionway
- (9) Recessed lights in overhang, port and starboard
- Sliding watertight door to galley, port

MAIN DECK- AFT

- Teak over fiberglass deck
- Composite overhead panels with (13) recessed light fixtures
- Automatic door to salon
- LCD television
- Closed circuit television camera, port and starboard
- 30" life, port and starboard
- Freeing port, port and starboard
- Faux wicker chairs and ottomans
- Escape from engine room, port
- Stern cleats, port and starboard
- Fairleads with line rollers, port and starboard
- Maxwell 3500 warping winch
- (2) Teak tables on single pedestal
- U-shaped seating
- Spiral stairway to boat deck
- Break away section in aft seating to passarelle
- Docking station, starboard, with Robertson rudder angle indicator, engine controls, DDEC engine control command panel, engine stop switches, Robertson job steering control, bow thruster control

SALON

- Carpeted sole with canvas runner
- Vinyl overhead with (14) recessed lights
- Smoke detector
- (4) Fixed windows, port and starboard, with wood blinds
- Mahogany cabinetry and molding
- (4) Overhead stereo speakers
- Automatic door to aft deck
- Sofa, port
- (2) Chairs with ottomans
- Marble cocktail table
- Built-in cabinetry with marble counter tops, port and starboard, forward
- Table lamp, starboard
- Table with marble counter top, port
- Fujitsu plasma television on mechanical lift

- Heart Start defibrillator
- Bar, starboard with granite counter top and (2) chairs
- Air conditioning air handlers, port and starboard

DINING AREA FORWARD IN SALON

- Carpeted sole
- Vinyl overhead
- Architectural feature overhead with inverted light
- Mahogany soffit overhead
- Circular dining table

GALLEY

- Laminate plank sole
- Mica overhead panels with recessed lights
- (2) Stereo speakers
- Mica cabinetry
- Watertight door to port side deck
- Stainless steel counter tops
- Double stainless steel sink
- Cruisair air conditioning control
- Whirlpool microwave oven
- Vizio LCD television
- Traulson refrigerator
- Butlers station, port, with stainless steel counter top, (2) General Electric trash compactors, circuit breaker panel, stainless steel sink, espresso machine
- Island with granite counter top
- (4) Stools
- (5) Burner Wolf Stove top
- Overhead vent hood
- Whirlpool dishwasher
- Wolf oven

MAIN DECK- STARBOARD COMPANIONWAY

- Carpeted sole
- Vinyl overhead with (5) raised lights
- (4) Fixed windows with wood blinds, starboard
- Central vacuum outlet
- Stairwell to crew quarters, forward
- Marine Magellan alarm panel
- Watertight door to starboard deck
- (11) Carpeted steps up to bridge deck with mahogany handrail

MAIN DECK- HEAD

- Marble tile sole
- Vinyl overhead
- Recessed overhead light
- Vanity with granite counter top
- Custom porcelain sink with gold inlay
- Microphor marine toilet
- (5) Mirrored panels at vanity

OWNER STATEROOM & HEAD

- Carpeted sole
- Vinyl overhead with (14) recessed lights
- Alcove, port with wood blinds
- Mahogany cabinetry, moldings
- Vinyl wall covering
- King size berth with bedding and raised platform
- Mirrored panel, forward
- Storage lockers and drawers, starboard
- Night stand, port and starboard, with granite counter tops
- Swing arm light, port and starboard
- Settee, starboard
- Vanity, starboard
- Panasonic LCD television
- Logitech audio visual remote control
- Access to aluminum tank top below berth
- Smoke alarm
- (5) Overhead stereo speakers
- Mahogany soffit above berth with (4) recessed lights
- Audio visual equipment locker with Kaleidescape marine server, Denon DVM 1800 DVD player, speaker Craft amplifier, Denon AVR 3801 audio visual receivers
- Walk in closet aft with carpeted sole, cedar panels, recessed overhead lights, shelves, lockable owners locker, buckeye dry chemical fire extinguisher

Head

- Marble tile sole
- Vinyl overhead
- Recessed overhead lighting
- Vinyl wall covering
- Vanity with sink, port
- Vanity with sink, inboard
- Fixed window port with wood blinds
- Microphor marine toilet
- Bidet
- Shower stall with marble tile walls, fiberglass shower pan, glass enclosure, fixed showerhead, overhead light, tub with Jacuzzi jets and gold tone faucet

SWIM PLATFORM

- Teak decks
- 7-step stairwell port and starboard to the aft deck with teak treads, courtesy lights and stainless steel handrail
- Brackets across the aft for stainless steel handrails inboard
- Stainless steel bollards, port and starboard
- Passarelle door and passarelle- centerline
- Freshwater spigot in port locker
- Fire hose, valve and nozzle in port locker
- Dockside water connection in port locker
- Locker below the passarelle with storage and handheld shower in a recessed locker
- Watertight hatch to the electrical control room
- Black water "suckout" in starboard locker with valve
- Port and starboard covers for the shore power with cable master control switches

ELECTRICAL CONTROL ROOM

- Watertight door to the swim platform and to the engine room
- Paneled overhead with recessed lights and smoke alarm
- Porthole starboard with storm cover
- Carbon monoxide alarm
- Northcoast warning alarm panel
- Fire and safety plan
- Discharge of oil plaque
- DC distribution panel
- Bilge pump control panel
- (2) Battery switches
- Atlas shore power Spa II shore power conditioner in control panels
- (2) Ratelco voltage rectifiers
- (2) Baldor VFD's for the engine room fan
- Tank level display with (2) waste and (1) water
- Marine Air air conditioning control panel
- Bauer 5000 psi diving compressor
- 110-volt outlets
- Shore power breaker box, starboard aft
- 10 lb CO2 fire extinguisher
- Watermakers Inc. water maker and control panel
- 6 lb CO2 fire extinguisher
- Frigidaire dryer and washer
- Miele dryer
- Whirlpool washer
- Access to the port aft crew quarters
- Watermaker low pressure pump and strainer, aft
- (4) 12 volt 8D batteries

PORT AFT CREW QUARTERS

- Access from the electrical control room

- Carpeted sole
- Twin raised berth
- Insignia television
- Porthole with storm cover
- Carbon monoxide alarm
- Book shelves, forward
- Dupont EVAC-U8 escape hood
- Sony stereo
- (2) DirecTV control boxes
- Cruisair air conditioning control panel
- 110-volt outlets
- Paneled overhead with recessed lights, stereo speakers, air conditioning, return air grill and switches
- Hanging locker with shelves, (2) drawers, dry chemical fire extinguisher

PORT AFT CREW QUARTERS HEAD

- Rubber tiled sole
- Mirror on the door
- Vinyl wall covering
- Spare (new) air conditioning compressor (not plumbed)
- Formica counter with recessed sink and storage under
- 110-volt GFI outlet
- (2) Mirrored medicine lockers with (2) air handlers inside
- Paneled overhead with recessed lights and air conditioning duct
- Shower stall with curtain
- Hatch in the sole to the port strut bolts
- Access to lazarette through watertight hatch

LAZARETTE

- Access from the port aft crew quarters head
- Hold light with switch
- Port and starboard rudders with glands
- Air conditioning bilge pump centerline, port
- (2) Hydraulic steering cylinders
- PE sump tanks, centerline

ENGINE ROOM- FORWARD

- Carpet over fiberglass diamond plank deck
- (2) Portholes, port and starboard, with storm cover
- Perforated aluminum overhead panels with fluorescent lights, heat sensor, halon sensors and halon discharge nozzles
- Hydraulic reservoir tank and filter for the steering system
- 220-volt fire/bilge pump to 10-compartment manifold
- (4) 110-volt Racor fuel separators
- Engine room fan in the forward bulkhead, port and starboard

- Control switches for the engine driven bilge pump and bilge/fire pump
- Day fuel tank centerline forward with sight glass
- Port and starboard fuel tank forward with sight glasses
- Fuel supply and return manifolds, centerline, with remote shut off valve
- Fuel transfer pump control switch
- Headhunter indicator and control panels for the forward and aft black water tanks; grey water tank
- Fuel tank level display
- Pressure suction manifolds with Fill Rite gauge for lube and waste oil system with pump switch and tank level
- Naiad Marine Model 404 stabilizer fluid conditioner
- Bow thruster hydraulic reservoir with sight glass

ENGINE ROOM- AFT

- (2) Generator mufflers and (1) water separator, port and starboard
- Electric air compressor, port
- Sturdy gear shift controls, port
- Approximately 66 kg Halon 1301 fire suppressant system
- (2) Compressed air regulators and filters, port
- Stainless steel work bench with sink, faucet, vice and grinder
- Baldor Soft Start for the air compressor
- (2) Detroit diesel engine electronic displays
- 110-volt outlets
- Ingersol Rand 7.5 hp electric 2-stage compressor, under the work bench
- PE black water tank under the deck centerline aft
- Freshwater spigot
- Discharge of oil plaque
- Compressed air nozzle on hose reel
- Engine breakers, stop & stat, DC volts and amps gauges
- Craftsman tool box
- Drill press
- 5 kg dry chemical fire extinguisher
- Alpha Laval fuel separator, starboard, and control box
- Watertight door to the electrical control room
- Orca II waste treatment system
- Groco pressure storage tank, starboard
- Cruisair air conditioner with (5) compressors, chilled water pump and raw water pump and (5) AC Tech Soft starts
- Local gauge panel for the port and starboard main engine with water temperature, oil pressure, gear box pressure gauges for the main engine, water temperature and oil pressure for (3) generators
- 7-step stainless steel ladder to port fidley, aft
- (3) Stainless steel handrails in the port fidley
- (2) 120 gallon compressed air receivers, centerline
- (4) Raw water seacocks under each engine
- (4) Raw water strainers for each engine
- Fuel transfer pump centerline forward in the bilge
- DC bilge pump with float switch, forward
- Suction for remote bilge pump, forward
- Hydraulic pump under the deck, port forward
- (2) 12-volt 8D batteries port under the deck
- (1) 12-volt 8D battery starboard under the deck

- DC bilge pump port and centerline aft
- Hydraulic distribution block, port aft bilge
- "Y" valve for the holding tank, aft
- Electric hydraulic pump centerline aft, in the bilge

ACCOMMODATION COMPANIONWAY

- Carpeted sole
- 11-step curved stairwell to the main deck with carpeted steps, indirect lighting, overhead light, custom handrail
- Mahogany paneling, trim and molding
- Vinyl overhead with recessed covered feature, indirect lighting
- Fabric wall covering with (2) wall sconces
- Framed beveled mirror
- Custom bureau with marble counter top and (8) drawers
- 110-volt outlets
- Central vacuum outlet
- Whirlpool dehumidifier
- Smoke alarm
- Electrical panel in the locker
- 3 lb dry chemical fire extinguisher
- Linen locker with (2) doors and (4) shelves

PORT FORWARD STATEROOM & HEAD

- Carpeted sole
- Mahogany paneling, trim and molding below the chair railing
- Built-in cabinetry with (3) drawers, fold up vanity mirror, stool, (2) lockers, Sharp television and JVC stereo
- Vinyl wall covering and overhead with recessed lights, (2) stereo speakers and smoke alarm
- Custom twin berth
- Forward and aft night stands with marble top, table lamps and (2) drawers under
- 110-volt outlets
- Beveled mirrors above the night stands
- Cruisair air conditioning control panel
- Porthole in alcove with storm shutter, blinds, drapes
- Cedar lined hanging locker with LED light, air conditioning air handler under, (2) Dragor emergency escape smoke hoods
- Access to the port forward stateroom head
- 5 lb dry chemical fire extinguisher

Head

- Mahogany paneled door
- Marble tile sole
- Bidet
- Microphor toilet
- Vinyl wall covering
- Vanity with Corian counter top, (2) recessed sinks, (2) sets of faucets, storage under the sinks and locker forward, makeup mirror

- (2) Sliding medicine locker doors with shelves, aft port
- Porthole in alcove forward, with storm cover
- Corner shower stall with glass door, overhead light, shower nozzle fixed on wall, mixing valve
- 110-volt GFI outlets

STARBOARD FORWARD STATEROOM & HEAD

- Carpeted sole
- Mahogany paneling, trim and molding below the chair railing
- Built-in cabinetry with (3) drawers, fold up vanity mirror, stool, (2) lockers, Sharp television and JVC stereo
- Vinyl wall covering and overhead with recessed lights, (2) stereo speakers and smoke alarm
- Custom twin berth
- Forward and aft night stands with marble top, table lamps and (2) drawers under
- 110-volt outlets
- Beveled mirrors above the night stands
- Cruisair air conditioning control panel
- Porthole in alcove with storm shutter, blinds and drapes
- Cedar lined hanging locker with LED light, air conditioning air handler under, (2) Drago emergency escape smoke hoods
- Access to the port forward stateroom head
- 5 lb dry chemical extinguisher

Head

- Mahogany paneled door
- Marble tile sole
- Bidet
- Microphor toilet
- Vinyl wall covering
