Displacement: 39000 Fuel Tank: 300 gal
(1135.62 liters)
Fresh Water: 300 gal (1135.62 liters)
Holding Tank: 40 gal (151.42 liters)
HIN/IMO: TDL48501B203

Engines/Generators

Engine 1

Yanmar
4JK-HTBE
100HP
74.57KW
Fuel: Diesel

Summary/Description

Priva Sea V is hull Number 1 of the 485 series by Island Packet.

The is the flagship of the Island Packet brand.

These yachts are designed and built to the highest standards in the industry and Priva Sea V is an excellent example of that.

She has a powerful cutter rig and yet is easily handled by a couple thanks to furling gear on all sails and electric winches. The center cockpit is large and comfortable with a full enclosure for when the weather is adverse.

A 100hp Yanmar diesel engine and an 8 kw Mas generator supply the power needs of the boat.

Below decks, one will find a large, very spacious main salon, with a light and airy feel to it.

There are 2 main staterooms with their own head and ensuite shower plus a third cabin that has either a berth or desk as desired.

The galley is situated in the walk thru between the main salon and the master. It is ideal for meal preparation whether at sea or at anchor.

The master is large, with an athwartship island bed and tons of storage.

The mast is new in 2018 along with the rigging, and two of the sails. A description of why is found in the listing. The chainplates were replaced in 2023 even though the old ones still had life in them.

Priva Sea V is ready to sail now! The owner had a 5-day sail from New Jersey arriving Dec 1 and we recently had the boat compounded and waxed and she looks gorgeous!

Showings are by appointment only

Overview

Accommodations

Priva Sea V has a very large light and airy interior that is comfortable for a family or crew.

She is designed with three staterooms that can accommodate five plus a pull-out double to starboard and a pull-out single to port.

The forward stateroom features a large queen bed with access from both sides. There are two large pull-out drawers for storage beneath along with a lift-up locker. There is shelving along the hull both port and starboard. Above the bed, there are two small lockers and two reading lights. The opening hatch allows for fresh air and light. The stateroom is fully air-conditioned as well.

The Guest head can be accessed from both the forward stateroom and the main salon. It features a large ensuite shower with an acrylic folding door. There is an electric head with a molded sink, a large mirror with teak trim, and storage above the head and below the sink. There is an opening port as well.

Across from the head is a third stateroom that is convertible. It can transform from a desk to a great sea berth with little problem.

There is all kinds of storage here in various lockers one of which has a washer/dryer in it.

The main salon is spacious! There is plenty of light from the salon windows and air from the opening hatches.

To starboard is a full-sized berth that pulls out to make a queen and has its own cushion. There are port and starboard lockers and bookshelves.

On the forward bulkhead is a large adjustable TV and a fold-down table. The table opens and doubles in size when entertaining below.

To port is another full-sized berth that pulls out into another bunk. There is a small cocktail table here as well.

This area is fully air-conditioned.

Aft of the salon to port is the navigation station. Features include an opening chart table, comfortable chair, electrical panel (12 and 110v), chart plotter, VHF radio, stereo, battery monitor, and Sonihull display.

Below is a pull-out for chart storage.

Next to the electric panel are the generator remote panel, watermaker control, inverter remote, Eprib, and barometer

The aft stateroom is large and very comfortable. Highlighted by an island queen bunk with a pull-out drawer and a lift-up locker for bedding. There are numerous lockers both for hanging clothes and smaller items. There is a seat across from the master bunk. There are four opening ports and a large opening hatch.

Part of the aft bulkhead is a door that accesses the stern locker. This stateroom is also fully air-conditioned.

The owner's head is quite large with an ensuite shower stall with door, electric toilet, Corian sink and countertop, oval mirror, and mirrored opening medicine cabinet. There is a storage locker under the sink

All staterooms have beautiful teak and holly flooring except the high-wear areas such as the galley, heads and bottom of the companionway

Galley

The large, well equipped Galley is located to starboard between the main salon and aft stateroom. It is two steps down so the cook is at eye level with guests in the main salon.

Features include:

- Corian countertops
- Twin stainless steel sinks with pressure water and a backup manual pump
- Top-loading fridge and freezer in separate boxes
- Small drinks cooler by Isotherm beneath the fridge
- Three burner Force 10 propane stove with oven
- Generous lockers for food storage and galley gear
