MAY 2023 REFIT OVERVIEW:

The Purpose of this refit was to get the yacht ready for a New Owner. Every System onboard has been tested and all services brought up to date. This 521 Ocean Class is ready to go anywhere her new owner wants to take her. The only item not addressed in the refit is a stained section of wood in the forward stateroom that was damaged from water having the porthole open. It has been sanded and a mirror was purchased to put over it but in an effort to be transparent has not been covered yet so it is not hidden from a potential buyer. Additional pictures are available.
