Summary/Description

This 185' Oceanfast, with her at anchor stabilization, Bannenberg styling, sexy lines, separate gymnasium on the sun deck, plenty of toys, and a variety of outside entertaining areas is one of the most desirable yachts of this size and budget available today.

This 185' Oceanfast, with her at anchor stabilization, Bannenberg styling, sexy lines, separate gymnasium on the sun deck, plenty of toys, and a variety of outside entertaining areas is one of the most desirable yachts of this size and budget available today.

She was one of the last deliveries from Oceanfast and the legendary Jon Bannenberg. This is arguably the best Oceanfast ever built and the fit and finish of this steel hull and FRP superstructure yacht is exceptional. With the dark blue painted hull and Bannenberg styling, this is a yacht that definitely stops people when they notice her at the dock. The signature styling and contemporary interior has been masterfully executed by the Oceanfast design team, led by Craig Beale.

OVERVIEW

The overall layout of this 185' Oceanfast has entertaining and outside areas which are very innovative allowing maximum use of the space and provides many different areas on the yacht for the owner/guests to be, whether for private sitting/sunning or with the group.

Owner's Cabin

The Owner's cabin is situated aft on the upper deck. This is truly a magic area with a 180-degree panoramic view from ceiling to floor windows, an outside private deck with ample seating and dining area. The Owner's cabin is enormous with stunning views, an en suite that has to be seen to be believed, from the huge circular honey onyx Jacuzzi bath to the private study, shower, two heads and two comfortable couches, this is a very striking and private Owner's area.

Guests

Guest staterooms consist of two king bedded and two queen bedded cabins on the lower deck aft. The queen bedded cabins also have a

single bed in each that can be used for children or for a short nap during the day along with a fold down Pullman berth. All guest cabins have en suite bathrooms featuring onyx and marble baths complimented by gem toned fabrics.

Crew

There are 8 crew cabins (7 on the lower deck forward and the Captain's cabin is located on the upper deck) for a total of up to 14 / 15

persons.

Other Machinery

Watermakers: (2) HEM 30 / 4000 at 9,130 USG / Day (34,560 liters/day)

Stabilizers: Quantum Zero Speed

Bow Thruster: Quantum QT200

Fuel Separator & Filtration: Alfa Laval MMPX403

Entertainment System

The extensive entertainment system runs through the yacht and is controlled by RTI remotes, Crestron remotes, and iPads via a

Crestron router and an Autopatch router located in the main equipment center (MEC). The system uses Niles speakers that run through

the yacht including all outside deck areas. Each of the 15 guest locations has its own RF RTI or a Crestron (exterior) remote. If requires,

the guest areas can also be controlled by the interior crew via 2 iPads specifically programmed for this purpose. The guest cabins,

saloons and outside aft decks have Samsung flat screen TVs. Crew cabins are equipped with TVs controlled by IR RTI remotes. There

are 20+ audio/video sources on this vessel, most of which resides in the MEC. These sources provide satellite programming, audio and

video on demand, DVD playback, AM/FM reception, Apple TV and various other viewing choices.
