## Summary/Description

The Gran Turismo 40 recreates the sport cruiser concept. Designed by the talented hands of Nuvolari and Lenard, this novel variation offers as much pleasure to the eye as sensations and driving. The design of this boat is harmonious with perfectly organized interiors and a high-quality finish.

The Gran Turismo 40 recreates the sport cruiser concept. Designed by the talented hands of Nuvolari and Lenard, this novel variation offers as much pleasure to the eye as sensations and driving. The design of this boat is harmonious with perfectly organized interiors and a high-quality finish.

The slender line of the Gran Turismo 40, underlined by her hardtop and well-designed side glazing, emphasizes her pronounced sporty character. With her central driving console and the latest generation of Air Step® hull, she offers excellent sensations and safety when traveling up to 38 knots. The space in the cockpit is generous and organized in an unusual way. It can seat up to 11 people. With two layout possibilities, the outdoor galley (to aft or in the cockpit) adapts to different lifestyles on board.
