Summary/Description

This 2019 Monterey 345 SY is in excellent condition. She is a luxury outboard powered express cruiser, designed to provide a comfortable & stylish experience, ideal for day trips or weekend getaways. Monterey is known for creating vessels that balance performance, quality, and aesthetics.

Larger outboard-powered yachts are becoming more of the norm nowadays, and Monterey Yachts is certainly keeping up with this trend, if not perhaps leading it. "Aguabendita" is a perfect example of this. Her fully serviced 300 Verados are covered by Mercury's Platinum transferable warranty until June 2025.

Her experienced owner has kept it in like new condition as well as added a very nice "Carbiepoles" aft sun awning system to keep out of the Florida sun. Back aft, you'll find a U-shaped seating area, which can also convert into an aft-facing lounger, or drop the backrest all the way down and you have a spacious sun pad. Under the sun pad, you'll find ample storage and mounting hardware to store the cockpit table. A wet bar off to port is equipped with a standard sink, and can also be fitted with an optional dual-voltage refrigerator. Added lounge options include the dual sun pad at the bow, which is surrounded by a stainless steel handrail.

Both the passenger and helm area is fitted with double bench seats, both of which feature flip-up bolsters and armrests. The helm itself features dual digital engine gauges that flank a flush-mounted navigation screen. Her FLIR Night Vision can be viewed by these screens. Flush-mounted switches are a thoughtful feature, which allows for ease of cleaning. The electronic engine controls and joystick are well positioned off to starboard.

Her spacious cabin below is spotless and enhances your entertainment capabilities. Wrap-around seating, including an aft lounge, can accommodate several guests comfortably. The forward lounge folds down to convert the area to a double berth. The side lounge converts to an extra wide single berth, and the aft lounge also can be configured as a double berth as well. The galley features a stainless steel sink, generous counter spaces, a dual voltage drawer-style lighted refrigerator, ample storage, and a microwave above. The full-size head compartment is fitted with a shower, freshwater sink, and a port light for natural light or ventilation.
