Summary/Description

The CG Boatworks 35 M-Series is a proven stepped-hull center console for anglers who want to get where they're going fast. The 35 M-Series has a 9'4" beam, which allows for more room on deck for anglers. Built on a high-performance deep-V hull with an open bow with a large casting platform.

The CG Boatworks 35 M-Series is a proven stepped-hull center console for anglers who want to get where they're going fast. The 35 M-Series has a 9'4" beam, which allows for more room on deck for Family/Anglers. Built on a proven high-performance, 2-stepped, deep-V hull with an open bow with a large casting platform. The helm has a spacious dash layout with (2) 12" Garmin's. Standard features include an integrated dive platform, fiberglass T-Top with rod holders, 35-gallon transom livewell, 12-gallon small livewell, insulated in-deck fish boxes two 250 quart and a bow fish box 350 quart, leaning post with rod holders, cockpit fresh water shower, raw-water washdown, slide out removable cooler, transom rear folding bench seating, console tackle box, cockpit bolsters, dive ladder, rod holders, large center console storage for tackle, safety equipment, and room for a head, spacious Llebroc helm seats with drop down bolsters covered in Silicone Upholstry. Lenco heavy-duty electric trim tabs, pop-up cleats, and transom door. Twin Mercury Verado Supercharged outboards deliver a Top speed 73 mph with a cruising speed of 38 mph 2.1 mpg.

CG Boat Works 2 engine design results:

VALUE - Lower Initial Cost, Less Maintenance, and Lower Insurance Costs than 3 engines

EFFICIENT - Less Maintenance and lower Fuel Costs than 3 engines

SUSTAINABLE- Less Engine Emissions and less Fuel Burn than 3 engines

RELIABLE - 10-year Hull Warranty

The best value/performance and fuel consumption center consoles on the market.
