Design Influences and Color

"The interior of the 76' is urban, bold and sexy. The large salon is emphasized by the headliner framing detail of 6" wide planks of Walnut combined with plush Ultra Vinyl. The rich Walnut veneer in a gloss finish has a cool taupe hue that is complemented by the platinum, indigo fabrics and artwork. The (2) cocktail tables (42") and a side table are completely unique designs and are hand made in Ask Burl and Walnut. They were designed to be sculptural, interesting and individual pieces of art. The polished chrome and nickel accents help create a Salon that is inviting, edgy and fun."

Shelley DiCondina, Yacht Interiors by Shelley

Main Salon / Dining Features:

Gloss Walnut	9' x 6' Plush contemporary Sectional Sofa
Burl Wood Details	Striking architectural details on ceiling
(2) Elegant Club Chairs	Large Flat Screen TV and A/V center
Walk up wet bar w/marble top	Starboard Bar with Clear Ice & sink
Stemware glass racks	Sculptural Cocktail tables with glass top
Cantalupi Chrome LED lighting	Slim Profile AC supply
Fabrica Carpet throughout	Designer selected accessories

The designer's main goal when creating the salon arrangement was to maximize the space and not waste one inch. There had to be a large and plush/comfortable seating for socializing for at least 10, a 75" TV screen along with an elegant bar cabinet with all of the amenities including ice. All of this areas coexist in an area 17' 9" x 13'.

Forward of the salon, to starboard, is a beautiful Day head for guests convenience. It is perfectly appointed with a marble top of Pearlato Sicilia and an under mount ceramic sink and contemporary polished chrome fixtures.
