## Summary/Description

This Cobalt 360 is a unique fresh water kept stylish sport cruiser which offers an impressive blend of sportiness, luxury, and quality. Built on a Kevlar-reinforced deep-V hull, this boat is a capable cruiser even in big seas. Her expansive helm and cockpit area are great for entertaining.

This Cobalt 360 is a unique fresh water kept stylish sport cruiser which offers an impressive blend of sportiness, luxury, and quality. Built on a Kevlar-reinforced deep-V hull, this boat is a capable cruiser even in big seas. Her expansive helm and cockpit area are both comfortable places to hang out and entertain. Below deck she features a galley, head, double berth aft and a convertible berth forward which is perfect for weekend trips cruising the San Juan Islands or anchoring off in Lake Washington.

*Key features include:*

- Upgraded Side Power SE50 Bow thruster (2021) for easy docking
- New Garmin Navigation electronics 8610XSV. Including Garmin Radar GMR 18 and AIS.
- Reverse cycle heating and air-conditioning as well as a full strata-glass enclosure means she is ideal for year-round cruising
- New Volvo Penta F Series Stainless Props (2021). Engines, drives & Generator serviced (Jan 2023). Exhaust Manifolds & Risers replaced on mains (2021) so she is ready for summer cruising
- Upgraded 4 x AGM Batteries (2021)
- Bennett Trim Tabs with Livorsi indicator
- Upgraded carbon fiber style accents

## Overview

Facing settees in the aft cockpit will seat five, and sun pads (with storage under) flank the center transom walk-through. Carbon fiber and leather accents dress up the Cobalt's tiered dash where there is flush-mounted navigation electronic. Because of her spacious cockpit, the 360 is a perfect day boat with the option of overnight stays having below-deck accommodations. A fast ride with her twin 270hp Volvo Penta sterndrives, the Cobalt 360 will reach a top speed of around 35 knots fully loaded with guests.
