Summary/Description

This custom built vessel was built by the seller with the goal to be very fuel efficient. Powered by a signal Ford Lehman and a narrow beam with a very unique underbody she glides effortlessly through the water.

This custom built vessel was built by the seller with the goal to be very fuel efficient. Powered by a signal Ford Lehman and a narrow beam with a very unique underbody she glides effortlessly through the water. Two staterooms, two heads with an up galley combining the dinette and helm into a wonderful gathering area. Built of wood covered in polypropylene coated epoxy and boathouse kept she shows very well. Just out of the yard with fresh bottom paint and zincs she is reluctantly offered for sale.
