39' (11.89m) 2010 Other Far Harbour 39
Alameda California United States

OVERVIEW

\$144,000

Manufacturer:	Other		
Engines:	1 Yanmar	Hull Material:	Fiberglass
Engine Model:	3JH5E	Cruise Speed:	
Engine HP:	38	Max Speed:	
Beam:	7' 6"	Cabins/Heads:	/ 1
Max Draft:	"	Fuel Type:	Diesel
Water:		Fuel:	

Data Sheet

Category: Pilothouse

Condition: Used

Model Year: 2010

Beam: 7'6" (2.29m)

Min Draft: 6' (1.83m)

LOA: 38' 9" (11.81m)

Heads: 1

Fuel Type: Diesel

Hull Material: Fiberglass

Displacement: 13200 lbs

HIN/IMO: JOH39002L910

Stock #: B93103

Engines/Generators

Engine 1

Yanmar

3JH5E

Inboard

38HP

28.34KW

Fuel: Diesel

Summary/Description

Designed in Puget Sound, built in Maine, completely unique. An elegant ocean sailing sloop that stores in a standard shipping container.

Designed in Puget Sound, built in Maine, completely unique. An elegant ocean sailing sloop that stores in a standard shipping container.

Picture this: you can spend the next 4 months here in the Bay, learning this yacht, making her yours. Then spend the spring and summer and fall exploring the coast of CA, OR, WA, and Desolation Sound, Alaska, Vancouver Island. Then put her in a container in Tacoma and send her to Sydney. Spend our winter, their summer, cruising Australia, Fiji, Tonga, New Zealand and when it gets cold, put her in a container in Auckland and send her to Oslo. Cruise the fjords, the Baltic under the Northern Lights, in the northern summer. Winter comes again; Thailand.

In one day, you can lower the mast, unbolt the keel, sail drive, rudder and roll her into the container on air bags (included!).

Exterior is tough, capable, hard-working sailboat. Interior is a joy; perfect combination of elegant and practical. Easy to love, easy to maintain. If you want to see the secret places of the planet without the long passages, and do it in ease and grace, this it it.

Key Features

- Pilot house seat with chart table for all-weather navigating and watch keeping.
- Full batten mainsail, 2 jibs, nylon asymmetric spinnaker
- Raymarine, ST6002 below-deck autopilot
- Icom IC-M424G GPS VHF w/remote mic.
- Furuno FI-50 speed, depth and wind display
- Furuno MFD8 Nav Net 3D multi-display for charts, radar, AIS
- Yanmar 3JH5E diesel and sail drive with less than 350 hours.
- Racor 500MA fuel filter
- 3-blade feathering Max Prop
- 3 AGM 105 batteries, parallel in a house bank

- 1 AGM 105 battery to start the engine.
- Xantrex Link Pro battery monitor

- Mastervolt 12/50-3 charger
- Mastervolt 12/2000 sine wave inverter
- Pro Safe Zinc Saver galvanic isolater

- Espar Airtronic forced air cabin heat
- Force 10 3 burner stove with oven
- Separate 12volt top-load fridge and freezer boxes

- Rocna 20 anchor with chain/rope rode
- Lewmar deck mounted vertical electric windlass
- Fortress FX23 aluminum anchor with chain/rope rode
- Seawater wash down pump

- Open transom for stern boarding, fishing/diving, rescue recovery
- Stainless stern boarding ladder
- Achilles 8'6" inflatable dinghy
- Hull painted with LPU

More Features

ELECTRONICS

- Depthsounder
- Long-speedometer
- Wind Speed and Direction
- Plotter
- Autopilot
- Compass
- GPS
- VHF
- Radar

SAILS

- Fully Battened Mainsail

- Furling Genoa
- Storm Jib
- Asymmetric Spinnaker

RIGGING

- Steering Wheel

INSIDE EQUIPMENT

- Oven
- Marine Head
- Refrigerator
- Battery Charger
- Electric Bilge Pump
- Manual Bilge Pump
- Heating
- Hot Water

ELECTRICAL EQUIPMENT

- Shore Power Inlet
- Inverter

COVERS

- Mainsail Cover
- Genoa Cover
- Lazyjacks
