Don't miss out on this unique opportunity to take delivery of a Seawind 1600 this year!

Like all Seawinds in the range, this catamaran design is a purpose-built bluewater cruiser, however, at 52 ft this cat features daggerboards, high aspect rudders, infused carbon-reinforced construction, and is purpose-built to perform. Designed by world-renowned designers Reichel Pugh and backed by the 30+ year success of Seawind Catamarans in building high quality, cruising, performance catamarans, the 1600 takes its place as one of the world's best-performing high-end luxury catamarans.

Please note that we are the dealers for the southwest region of the United States and can only sell to residents in our dealer territory.
