INCOGNITO is custom-built bluewater performance cruising catamaran with daggerboards and a foil-shaped carbon rotating mast. Super light and designed for speed, this cat easily sails 10 knots but has reached up to 20 knots. With daggerboards up, her draft is only 3'5" making it easier for navigating shallower waters. Yanmar engines, sail drives and standing rigging were replaced in 2019. 2nd Owner and LLC owned. If you're looking for a performance cat on the West Coast, look no further.
