- Sony AM/FM/CD stereo
- x2 4D batteries in boxes
- Electrical panel 12V-DC/110V-AC
- Charles 30 amp Battery Charger
- Galvanic Isolater
- Seaward 11 gallon water heater

Manufacturer Provided Description

The Catalina 355 features a hull design with a long waterline, moderate beam and freeboard, and a handsome low-profile cabin structure. Everywhere you look on the 355, you'll find features that make sailing for the day or for extended periods a pure pleasure. Precise mainsail control is a snap with a 5' long traveler. Long, inboard genoa tracks accommodate headsails from a powerful 155 percent genoa to a storm jib, allowing a balanced sail plan for all wind conditions. The inboard shrouds and hardware facilitates tighter sheeting angles for upwind performance, and wide, unobstructed weather decks for safety. Some features inspired by her predecessor are an articulating forward berth with innerspring mattress, a dedicated filter locker, large cockpit locker with gull wing hatch and available quad-leaf folding table.

Features

ELECTRONICS

- Depthsounder
- Long-speedometer
- Wind Speed and Direction
- Navigation Center
- Plotter
- Autopilot
- Compass
- GPS
- VHF
- TV Set
