Summary/Description

WILL ACCEPT CLEAN TRADES!

Dark Horse is the perfect yacht for the cruising family or socially oriented owner with a large main salon/ galley combo + a large covered flybridge lounge grill/bar area. The TNT lift helps everyone in and out of the water for playtime & makes it easy to use the tender. Walkaround side decks with high bulwarks are safe for children and pets.

The large fridges/freezers and toy storage are perfect for Bahamian getaways. Well maintained by a seasoned yacht owner.

Description

With a main salon that seamlessly flows into the open country kitchen, intimate gatherings are a breeze. Tender storage below on the TNT hydraulic swim platform allows for a huge flybridge that rivals those of yachts closer to 100' and is perfect for lounging and entertaining. This Hargrave Custom Yacht features a four stateroom four head layout with full crew quarters aft.

Entering the salon from the aft deck one gets a sense of open space. There are two sofas and tables. To starboard are two chairs, entertainment center and storage cabinets. Forward to port is the U-shaped galley with granite counter tops. To starboard, there is a large granite countertop with Sub Zero refrigerators and freezers below. Forward of the galley to port is a casual dining area. In the center is a helm station. To starboard is a staircase from the lower control station which leads to the flybridge with an upper helm. The fly bridge hard top has clear panels that can be dropped into place to make an airconditioned enclosure.

On the next level aft is the master stateroom with a king size bed that can be made into two large twins, his-and-hers baths sharing a shower enclosure on centerline. There is a twin guest cabin to to port, a second guest cabin with T-bunks to starboard each with a private head and shower. All the way forward, is an enclosed VIP stateroom with private head and large shower. There is a crew quarters for two located aft on the lower deck with access through a watertight transom door.
