

Glen Ellen

100' (30.48m) 2002 President
Fort Lauderdale Florida United States

OVERVIEW

Manufacturer: *President*

Engines:	2 Caterpillar	Hull Material:	Fiberglass
Engine Model:	3412E	Cruise Speed:	
Engine HP:	1400	Max Speed:	
Beam:	22' 4"	Cabins/Heads:	4 / 4
Max Draft:	5' 9"	Fuel Type:	Diesel
Water:	700 G (2649.79 L)	Fuel:	3200 G (12113.31 L)

\$1,499,000

Data Sheet

Category: Motor Yachts

Condition: Used

Model Year: 2002

Beam: 22'4" (6.81m)

Max Draft: 5' 9" (1.75m)

Min Draft: 5' 1" (1.55m)

LOA: 100' (30.48m)

Cabins: 4

Heads: 4

Fuel Type: Diesel

Hull Material: Fiberglass

Air Conditioning: Yes

Stabilizers: Zero Speed

Bow Thruster: Yes

Stern Thruster: Yes

Fuel Tank: 3200 gal (12113.31 liters)

Fresh Water: 700 gal (2649.79 liters)

Holding Tank: 100 gal (378.54 liters)

Builder: President

HIN/IMO: PRS94001H102

Engines/Generators

Summary/Description

Offers are encouraged.

This President 100' Tri Deck Motor Yacht is a proven offshore cruiser owned by a knowledgeable and seasoned owner-Captain having completed numerous diving exploration voyages and been consistently updated. She is now offered for sale by her motivated owner since he has taken command of his larger yacht.

Hull, Deck, and Superstructure

Modified semi-planning hull with molded spray rails and incorporating propeller tunnels for improved propulsive efficiency and reduced draft

Hand laid glass fiber construction with isophthalic gelcoat backed by initial lay up of powder bond matt and isophthalic resin osmosis barrier

Composite I-beam integrally bonded girder stiffening system with unique directional fiber reinforced load bearing face

Standard finished white high-gloss gelcoat

GRP/balsa core/PVC foam sandwich construction for deck and superstructure for strength and high thermal insulation

Teak laid aft deck, swimming platform and all exterior stairs

Hull copper poxy anti fouled.

Deck Fittings

Twin NAVY anchors (160 lb. each) with 230ft of chain each

Deck chain stoppers (stainless steel)

Twin 4000lb anchor winches with rope capstans with foredeck and twin station operation

Anchor wash/deck wash facility with fore deck and aft deck outlets

Twin stem head rollers with automatic anchor launch and self-stowing facility

Two mooring bollards forward with rope fairleads

Two sets of spring cleats

Two stern mooring bollards and fairleads

Two stern electric capstans (24v) for rope handling

Two swimming platform pop-up cleats and 6 feet swimming ladder

All cleats and bollards in stainless steel

Aft deck build-in seat with cushions and storage facility

Foredeck storage locker for fenders and rope

Foredeck bench seat and sun pad cushion

Grabrails on both sides of all exterior stairs

Navigation lights and s/s mast

Search light with dual station controls

Bow & stern docking lights (4)

Twin 240v shore- power inlets each with 23m (75ft) self-stowing cables (Glendinning system)

Twin 240v fixed shore-power connections (Marinco)

Whole yacht intercom system

2 fuel fillers and 3 water fillers on port & stbd. side

Boarding stair and plug-in handrail

Boat deck davit crane (2500lb)

Dockside water and telephone connection on swimming platform port & stbd. Side

Air horn with compressor

3 pantographic doors on salon sides and transom

Swimming ladder with 5 "U" guardrails

Transom shower

Sun pad cushion and seating on boat deck

Oval table with 2 s/s stand

Deck lighting and all exterior stairs with safety lights

Loud speakers from saloon CD/Hifi system

Large storage locker on port & stbd. side

Twin stairs to swimming platform

Access door to engine room (from transom)

Docking control position (comprising engine controls, bow & stern thruster controls)

Flybridge

Small Raymarine chart plotter

2nd NavNet black box

Stand-alone NavNet system

To the left of the dash is a monitor for the computer system

Helm position with designed instrument console and computer engine instrument monitor

Power assisted hydraulic steering with s/s wheel

Rudder position indicator

Electronic engine controls

Controls for bow thruster, anchor winches, search light, horns, trim tabs

Electronic compass, depth sounder, log, and auto pilot

Repeat radar and chart plotter/GPS display with full controls

VHF

Intercom system

Stabilizer system

CCTV monitor served by two fixed cameras in engine room and one camera astern

Visual and audible warning system for bilge pumps, engine room fire extinguishers, fuel filters, exhaust temperatures and engine oil pressure and water temperature

Chart table

Adjustable helm seat

Covers for all seating areas and console

Wet bar with electric barbecue, icemaker, sink and large storage

Stairway to boat deck

Acrylic windshield with s/s bracket

Deck lighting

Loud speakers for CD/Hi-Fi system.

Stainless steel guardrails on rear side

Whale tail type radar arch

Skyounge with Wheelhouse

Furuno NavNet v2. NavNet has radar, depth sounder and chart plotter

Raymarine touch screen chart plotter-it also has a depth sounder

Furuno AIS system can show different data next over (center) is the cat screen

NavNet screen for the Furuno NavNet V2 system

Autopilot

Bow and stern thruster control

Trac stabilizer control

Indicator is the nav light switch along with selector for the stabilizer pump

Radar control board

Spotlight control

Light and bilge pump indicator control

Three added bilge pumps

Control for the Furuno NavNet v2

Furuno radar

3 Separate and fully adjustable helm seat with matching navigator's seat

L-shaped Leather sofa and seating area w/ 2 Leather chairs

Sliding access door to boat deck

Swivel designed stairway to saloon and galley

Internal wooden blinds to side & rear windows

Chart table with light and chart storage

Sub-electrical switch panel (12/24v and 120/240v)

Electronic engine controls

Bow & stern thruster control - ABT TRAC

Stabilizer system - ABT TRAC Stabilizers (digital)

Power assisted hydraulic steering with s/s wheel

Rudder position indicator

Full engine computer instrument monitor also incorporating exhaust temperature alarm system and fuel filter alarm system

Bilge pump control and alarm system

Remote control for engine room fire extinguisher system

Electronic compass and speed/log linked to auto pilot and interfaced GPS/colored chart plotter and radar

Magnetic compass

Echo sounder with depth alarm

VHF

Intercom to flybridge and all cabins

Air horn with compressor

CCTV monitor served by two fixed cameras in engine room and one camera astern

Trim tab controls

Toughened windshield glass and de-mist system

Triple windscreen wipers with variable speeds and fresh water windscreen wash system

Overhead lighting and night lighting system

*Large entertainment center with SHARP 60" flat screen TV

Air conditioning/heating outlets

Hot tub jacuzzi

Simrad autopilot

Robertson Simrad R132 MK2 rudder angle indicator

Koden marine radar

Caterpillar engine monitor system

Deck Saloon

Tinted toughened glass windows forward, port, starboard and rear

Stainless steel framed sliding access door

U shaped sofa area to port

Starboard side main electric panel (DC & AC system)

Fully integrated audio-visual system incorporating cabinets for 60" SAMSUNG TV, home cinema (surround sound) amplifier/tuner, DVD, VCR and multi disc CD player

Cabinet Overhead and concealed lighting with dimmer (24v), halogen light in center

Blinds and/or curtains to all doors and windows with concealed lighting behind

Air conditioning/heating outlets

Air cleaner

Telephone point

Forward Dining Area

Round dining table (to suit eight adults)

Dining chairs (6)

Illuminated sculptured 3 dim. Glass on wall

Cabinet Overhead and concealed lighting (24v with dimmer)

Air conditioning/ heating outlets

Stairway to sky-lounge

Stairway to lower accommodation

Storage area for cutlery and crockery

Galley

Corian or granite work surfaces

SUB=ZERO Full size refrigerator and deep freeze with inbuilt icemaker

GE Microwave/conventional oven

Twin stainless-steel sinks

KITCHED AID Dishwasher

KITCHEN AID Trash compactor

Air conditioning/heating outlets

High- and low-level storage cupboards and drawers

Extractor fan

Wooden blinds/curtains to windows with concealed lighting behind

Cutlery storage

Access door to side deck

3 S/S bar stools with leather cushion

Granite floor with s/s stripes

Spiral Staircase to sky-lounge

Hi-lo TV cabinet for bar area

Dacor electric cook top

Dacor convection oven

Cuisinart coffee maker

Master Stateroom

Full king size bed with bedside tables and drawers below

Walk in wardrobe with hanging and drawer storage

Both side storage drawers and cupboards

Both side SHOJI screen doors for cabinet

Cabinet for TV/VCR with radio/CD

Decorated panel overbed and concealed 24v lighting

Air conditioning/heating outlets.

Opening portholes (4) with curtains or blinds

Built in safe

Telephone/intercom

En-suite bathroom

Freshwater Headhunter toilet and bidet

Granite Wash counter with basin

Granite tile floor with s/s stripe

Air conditioning/ heating outlet

Opening porthole with curtain or blinds

Glass shower door with upper & lower s/s edges

Deluxe faucet, soap dispenser, soap holder, paper holder and towel rail

Storage for towels etc.

Extractor fan

VIP Stateroom

Full king size bed with bedside tables with drawers below

Wardrobe with hanging and drawer storage and outside mirror door

Starboard side dressing table with stool and drawer storage

Cabinet for TV/VCR

Radio/CD

Port side storage drawers and cupboards

Both side SHOJI screen doors for cabinet

Opening portholes (4) with curtains

Overhead decorated panel and indirect lighting combined halogen lights(24v)

Air conditioning/heating outlets

Telephone/intercom.

En-suite bathroom: Freshwater headhunter toilet

Stall shower and glass door with s/s upper & lower edges

Extractor fan

Opening porthole

Granite Wash counter with basin

Granite tile floor with s/s stripe

Deluxe faucet, soap dispenser, soap holder, paper holder and towel rail

Medicine storage

Air conditioning/heating outlet

Forward Guest Staterooms

King sized bed with bedside counters and storage below

Both sides large wardrobes

Storage drawers and lockers

Bedside table

Direct and indirect 24v lighting

Opening portholes (2) with blinds or curtains

Air conditioning/heating outlet

Telephone/intercom.

TV cabinet

En-suite bathroom: Freshwater Headhunter toilet

Granite Wash counter and wash basin

Stall shower and glass door with s/s upper and lower edge

Extractor fan

Opening porthole

Deluxe faucet, soap dispenser, soap holder, paper holder, and towel rail

Medicine storage

Air conditioning/heating outlet

Laundry

Separate washing machine and dryer

Storage facilities

120v lighting

Additional large cupboard/ Lazarette below main companionway.

Work counter with washbasin

Opening porthole

Extractor blower

Crew Cabin

Upper & lower berths

Hanging and storage lockers with mirror door

24v lighting

Air conditioning/heating outlets

Opening port lights with curtains

Toilet compartment with fresh water Headhunter toilet

Granite counter with washbasin

Stall shower and glass door with upper & lower s/s edge

Extractor fan

Deluxe faucet, soap dispenser, soap holder, paper holder and towel rail

Medicine storage

Telephone/intercom

Power and Drive Systems

Soundproofed Engine Room

Engine room bulkheads integrally bonded

Engines flexibly mounted for strength and vibration absorption

Gearboxes with anti-vibration Soundown coupling.

High volume air intakes

Engine room access door from laundry room and soundproofed

Engine room lighting

High-capacity engine room

Extraction blowers

Bottom exhaust silencers with water cooled exhausts

Raw water temperature warning lights and buzzers at both helm positions

Automatic fire extinguisher system with manual override and warning system at both helm positions and integrated with engine shutdown system.

Automatic electric bilge pumps.

Electronic engine with computer monitor and gear shift control systems

Hydraulic bow & stern thrusters

Power assisted hydraulic steering system with twin engine pumps

Propeller shafts in AquaMat

5 bladed propellers in nickel aluminum bronze

High strength s/s rudders

Stern gear, engines, fuel tanks, fillers etc., all electrically bonded

Electro hydraulic trim tabs with dual station control

Engine driven hydraulic pump for stabilizer

Electrical Systems

24v: 4 x heavy duty batteries (225 Ah) for engine starting

Ship service 1: 6 x heavy duty auxiliary batteries (225Ah)

Ship service 2: 10 x heavy duty auxiliary batteries (225Ah)

Engine alternators charge both banks of batteries

One 40amp 24v battery charger and one 120amp 24v battery charger connected to both banks of batteries

Two 240V/24V Trace inverter (4000w)

Isolator control switches at main switch panel position

Circuit breakers on all circuits

24v to 12v converters for certain navigation and radio circuits

Galvanic isolation system.

120/240volt: 30kw (50/60 Hz) and 40kw (50/60 Hz) diesel generators in own sound shields and with individual starting batteries; water cooled and with specially silenced exhaust systems and with remote operation from main control panel

2 x 50amp shore support inlets with Glendinning cable master system (23m/75ft each)

2 x 50amp shore support inlets with fixed caps

Shore power/generator change over control operated from main control panel

Polarity check system

Earth leakage safety trip

Circuit breakers on all circuits

Power sockets in all cabins and living areas

2 x 50-GAL water heaters for fresh water

Fuel System

(2) Fuel tanks (in aluminum) with inter-connection system giving a total of 2500 gallons(9500L) of fuel capacity

Fuel fillers (with key) to port and starboard

High-capacity duplex fuel filters/water traps with integral changeover valves and water sensors connected to alarms at both helm positions

Computank fuel digital gauges at two helm positions and electrical main panel

Water System

Water tanks giving 700 gallons (2700L) capacity within 3 s/s water tanks

Compu tank water digital gauges at two helm positions and electrical main panel

Deck fillers (with key)

Port & stbd. dock side connections aft

Two sets automatic jet water pump with filter

Reserve automatic pump with changeover valve system

Pump circuit breaker at main switch panel

Headhunter fresh water toilet system linked to 100 gallon (380L) holding tank with electric, overboard and dock side discharge with manual backup overboard discharge

Level contents gauge on main switch panel

Bilge Pumps

5 x automatic electric bilge pumps (with manual override) in machinery spaces (2), forward accommodation (3)

3 x automatic electric sump pumps (with manual override)

Individual bilge indicator warning lights at helm (and flybridge repeater warning lights)

High-capacity manual bilge system with suction points in the same areas

Air Conditioning

Twin chilled water reverse cycle air conditioning/heating units (total capacity 144,000 BTU)

Individual controls in all cabins in upper deck space areas: Aft saloon - 24,000 BTU; forward saloon and galley - 36,000 BTU; skylounge - 24,000BTU (integrated with windshield glass de-mist system); mater stateroom - 24,000 BTU; forward stateroom -12,000 BTU; VIP staterooms - 18,000 BTU; crew quarters - 6,000 BTU

Additional outlets in all bathrooms/WC compartments

Fire Control Systems/Extinguishers

Automatic engine room fire extinguisher system (with manual override) and warning system at both helm positions providing automatic shutdown of engines and ventilation fans

Hand pull-wire operated fire extinguishers

Other Standard Equipment

Electro hydraulic boat deck crane (2500 LB.)

Central vacuum system with outlets on both main and lower decks

Ensign staff

Mooring warps (4)

First Aid Kit: gel coat, painting, ele. bulbs

Finishes

Plywood laid decks to all external teak deck areas; white tape to GRP non-slip decks for shipping protection

White tape to all the hull, deck, boat deck, and flybridge for shipping protection

Floor to skylounge, galley and crew quarters

Marble floors in all bathroom suites in guest accommodation (including day toilet)

Wash hand basin counter tops in marble

Galley worktop in Corian (or similar)

Choice of high-quality carpet and upholstery fabric from extensive range

Furniture in a choice of natural or classic cherry wood with burr inlays

Curtains, blinds or sunscreens to all windows and portholes

Quilted bedspreads supplied to all cabins

Remarks and Updates

- June 2019-----750 hours on Main Engines since \$500,000 Major Overhaul @ Pantropic Cat Fort Lauderdale dealer
- February 2022----New Bimini top canvas
- January 2022-----New bottom paint and all running gear serviced
- January 2022-----Full 5 Year service on stabilizers including all new seals
- June 2021--- -----New Northern Lights Generators 30 KW & 40 KW with 300 hours since new
- July 2019----- New Refrigerator - Freezer in galley
- March 2021----- Replaced inverters
- June 2019 ----- New radar and SAT TV
