Engine 2

Cummins
QSB 425 6-Cylinder Turbo
Inboard
425HP
316.92KW
Fuel: Diesel
Hours: 1689.70
Hours Date: 05-19-2023
Location: Starboard

Generator 1

Onan
250V, 50-amp
9KW

Summary/Description

WILL ACCEPT CLEAN TRADES!

Sabre Yachts are well known for their quality and comfort focused elegant traditional styling. Their Sabre 40 model embodies all those elements in this perfectly sized version made to be very easily managed alone or by a couple. Specified with Cummins / Zeus Power package you or your mate will maneuver this awesome vessel in and out of what would have once been challenging slips like seasoned pros. With the added benefit of higher speeds and lower fuel consumption and depending on your preferences, you can be dropping the hook at your favorite anchorage for that stress relieving sunset with cocktail in hand or arriving at the yacht club with enough time for that cocktail before dinner. The thoughtfully arranged living spaces are bright with plenty of designed ambient light throughout, but yet maintains that traditional warmth of a nicely appointed wood interior. The perfect gentleman's yacht, bridging traditional styling with modern propulsion technology. STARLIGHT is an exceptionally well maintained example of the Sabre 40 model and definitely is a must see. She includes an AB 9' tender 2017 hull purchased NEW and unused from Florida Inflatables 2021 with 5 hours use.
