Summary/Description

Brand new to market, clean, and ready to cruise! WILL ACCEPT CLEAN TRADES!

The Tiara 4400 Sovran is one of the most desired of the Tiara Fleet. Lots of manufacturers build quality, high-end yachts, but few reach the standards of engineering and finish consistently attained by Tiara. In the 4400 Sovran, Tiara has delivered a yacht of remarkable luxury and design sophistication, handsome styling is highlighted by her fully integrated hardtop, graceful sheer, and slightly reversed transom. Focusing on comfort and function, two stateroom interior of the 4400 Sovran offers a luxurious blend of satin-finished teak woodwork, Corian counters, and Ultra-leather seating. The large salon settee seats five very comfortably. Each stateroom has an en-suite head. Topside, an impressive Stidd helm seat can be raised or lowered electrically. A lounge is opposite the helm, and fore- and aft-facing seats and a pair of hydraulically operated high/low tables are found in the lower cockpit. The 4400 Sovran's extended swim platform is large enough to accommodate a dinghy or PWC.
