20KW

## Summary/Description

The Hatteras 65 Convertible is the best selling sportfish boat of her size ever built.

This 1989\2015 Retrofit 65 Hatteras Enclosed Bridge Sportfish is the most up-to-date vessel in its class. There is not a surface or area that has not been touched or updated on this vessel. The mezzanine with refrigeration, freezers and Eskimo Ice chipper was added to the cockpit along with the custom fitting and custom stairs to the enclosed bridge that has an extended aft deck. At the helm there are all up to date electronics. All of the framed windows were removed and replaced with all new frameless windows. The engine room was completely gone through and detailed.

When you enter the salon you feel as if you have stepped into a new boat of its class. From the LED lighting to the galley with the SubZero drawer refrigeration.

MISS PEARL is ready to cruise, fish, or charter. This vessel is complete with the modern amenities and equipment.

She is truly a WOW BOAT and a MUST SEE!!!!
