Summary/Description

CABALLO GRANDE is a ONE OWNER, family fishing and cruising yacht with less than 1800 original hours since her delivery in late 2010! She has been maintained by the same professional crew of two since then and has been serviced by VIKING YACHTS since day one! This 2011 Viking 76 Enclosed Bridge has been upgraded through her ownership and is a stellar example of a meticulously maintained, lightly used, turn-key yacht.

Layout & Walkthrough

CABALLO GRANDE features a four stateroom, 4 head layout in her lower spaces, with a huge salon/galley/dinette living area on the main deck. A handy day head completes this area. Access to the enclosed flybridge is via a comfortable staircase aft to port in the salon. The bridge provides additional entertaining space with seating, refrigeration & television.
