Summary/Description

BARNSTAR is a custom 80' motor yacht that was built for a very knowledgeable owner. She offers an all teak hi-gloss interior with granite counters and onyx floors in all heads. She offers three staterooms and two crew quarters layout.

BARNSTAR is a custom 80' motor yacht that was built for a very knowledgeable owner. She offers an all teak hi-gloss interior with granite counters and onyx floors in all heads.

She offers three staterooms and two crew quarters layout. All three staterooms offer exceptional accommodations, her owners stateroom features a center-line king berth, walk-in closet, vanity and a very large head with dual sinks and large shower. Her VIP has a queen berth with an en-suite head and shower. The Guest stateroom has side by side twin berths and an en-suite head and shower. All closets onboard are cedar-lined.

BARNSTAR's salon is large with seating on the port side, expandable and removable dining table, built-in bureau, large flat screen TV and audio system and custom storage. A day head is on the port side just before the stair way to the fly bridge. There are two side doors at the lower helm station with phantom screens that open to her side decks. The lower helm is very complete and has two electronic-controlled STIDD chairs.

The galley boasts a large u-shaped granite-covered countertop and settee, offering all the conveniences that an owner would want. Upgraded appliances include a gas stove, trash compactor, garbage disposal, microwave/convection oven, refrigerator, and two dishwashers.

BARNSTAR's twin SS automatic sliding doors in the salon with Phantom screens open to her large Teak covered aft deck. A settee offers seating for six to eight guests at a high-gloss teak table. There is a full bar with granite countertop and pedestal seating. Overhead there is a built-in television for outdoor viewing.

The crew quarters can be accessed from the aft deck or from the stern. BARNSTAR's crew quarters offers two cabins and an abbreviated galley. Her engine room is full beam and has a chilled air conditioning system.

The side decks and flybridge decks are teak covered.

By sliding open a SS hatch, you have access from the aft deck to the fly bridge. The large fly bridge accommodates a four-person jacuzzi with shower, full function hydraulic davit, boat deck, large SS gas BBQ with refrigerator, SS sink and wash-down. BARNSTAR's fly bridge helm area has air-conditioning/heat, ample seating and large storage areas.

Vessel Description

BARNSTAR is a custom 80' motor yacht that was built for a very knowledgeable owner. She offers an all teak hi-gloss interior with granite counters and onyx floors in all heads.

She offers three staterooms and two crew quarters layout. All three staterooms offer exceptional accommodations, her owners stateroom features a center-line king berth, walk-in closet, vanity and a very large head with dual sinks and large shower. Her VIP has a queen berth with an en-suite head and shower. The Guest stateroom has side by side twin berths and an en-suite head and shower. All closets onboard are cedar-lined.

BARNSTAR's salon is large with seating on the port side, expandable and removable dining table, built-in bureau, large flat screen TV and audio system and custom storage. A day head is on the port side just before the stair way to the fly bridge. There are two side doors at the lower helm station with phantom screens that open to her side decks. The lower helm is very complete and has two electronic-controlled STIDD chairs.

The galley boasts a large u-shaped granite-covered countertop and settee, offering all the conveniences that an owner would want. Upgraded appliances include a gas stove, trash compactor, garbage disposal, microwave/convection oven, refrigerator, and two dishwashers.

BARNSTAR's twin SS automatic sliding doors in the salon with Phantom screens open to her large Teak covered aft deck. A settee offers seating for six to eight guests at a high-gloss teak table. There is a full bar with granite countertop and pedestal seating. Overhead there is a built-in television for outdoor viewing.

The crew quarters can be accessed from the aft deck or from the stern. BARNSTAR's crew quarters offers two cabins and an abbreviated galley. Her engine room is full beam and has a chilled air conditioning system.

The side decks and flybridge decks are teak covered.

By sliding open a SS hatch, you have access from the aft deck to the fly bridge. The large fly bridge accommodates a four-person jacuzzi with shower, full function hydraulic davit, boat deck, large SS gas BBQ with refrigerator, SS sink and wash-down. BARNSTAR's fly bridge helm area has air-conditioning/heat, ample seating and large storage areas.

ACCOMMODATIONS AND INTERIOR

- Sakura paneling and cabinetry
- Soft vinyl headliners
- Push-button handles for drawers & cupboards
- Round top corners, cabin entrance doors
- Hidden hinges on cabinet doors
- Cruisair chilled water central AC w/ECU controls
- Sakura for window frames and bull-nose
- Hi-gloss varnish for interior finish
- Hanging lockers with dual-locking mechanism
- S/S hardware
- Inner spring mattresses for berths
- Standard bevel edge bullnose for granite countertop throughout boat, except for shower seats & shelves
- Additional washer/dryer in hallway

SALON

- 50" Sony Plasma TV/Marantz/Denon professional sound system with IR repeater
- Swing out DVD cabinet w/double doors
- Middle atlantic media rack for A/V equipment
- Settees w/Ultraleather fabrics
- 24V LED lights
- Phantom screen with dedicated wood box for double SS opening doors to aft deck
- Starboard side deckhouse for storage of table leaf
- High-Low table for 6 with 2' removable leaf to convert to game table
- Built-in desk with lift top to hide lap top plus file cabinet drawer in aft starboard corner
- Corner table with swing out shelf for printer
- Extended sofa
- Side table
- (2) 28"x28" Coffee tables
- 10" Circular stainless steel portlight in day head
- Additional stainless steel base on dinette

GALLEY

- Granite/marble countertops
- Storage cabinets and drawers
- Franke double sink with faucet
- Disposal and lazy susan in corner
- Spice rack w/sliding panels at port of stove
- Crockery cabinet inside galley end cabinet
- Overhang cabinet in galley
- Sakura cabinetry
- 36" Amana Easy Reach refrigerator - side by side French doors with ice and water in door
- Full-sized microwave/convection oven
- 24" Gaggenau gas cook top
- 24" Gaggenau electric oven
- 24" Dishwasher
- Seagull water purifier
- 12" Trash compactor

MASTER STATEROOM

- King-sized berth with inner spring mattress
- Two nightstands
- Bureau on port side
- Sit down vanity with divided pencil drawer, mirrored hinge doors behind to access shallow storage, plus a 110V outlet adjacent with total of 5 down lights over vanity
- 24V LED lights
- Safe in hanging locker
- Full-height, cedar-lined hanging lockers with automatic lighting
- Walk-in closet
- Closet with additional shoe shelves starboard side plus shelves port side
- 37" LCD TV with Marantz/Denon professional sound system with IR repeater S/S oval portholes with screens
- Shoji screens
- Octoplex unit at aft port corner
- Under bed storage accessed from the doors in the Master Head

MASTER HEAD

- Sakura walls & cabinets with onyx countertops
- 24V light
- China sink
- Grohe faucets for sink and shower
- Shoji Screen
- Keuco bathroom fixtures
- Mirrored sliding cabinet door under head port light
- Teak and holly plank flooring
- Mirrored door on medicine cabinet
- Tecma toilet system
- Vent blower
- Seamless fiberglass stall shower w/one-piece glass door
- Corner onyx seat in Master shower
- S/S oval port light w/screen
- GFI (110V only) AC outlet
- Onyx in shower floor

FORWARD GUEST STATEROOM

- Queen-sized berth with innerspring mattress
- Two drawers under bed
- 24V LED lights
- Sony DVD/CD audio stereo and video system with IR repeater
- Cedar-lined hanging lockers with automatic lighting
- Dressing mirror
- 23" LCD TV
- S/S oval port light w/ curtains at both sides and one overhead hatch

PORT GUEST STATEROOM

- Side-by-side lower berths, fabric covered
- Head with stall shower
- 24V LED lights
- Sharp 20" LCD TV with DVD/CD audio stereo and video system
- Cedar-lined hanging lockers with automatic lighting
- Dressing mirror
- S/S oval port light w/privacy screen

HEADS

- Sakura walls & cabinets with onyx countertops
- 24V light
- China sink
- Grohe faucets for sink and shower
- Shoji screens
- Keuco bathroom fixtures
- Mirrored sliding cabinet door under head port light
- Teak and holly plank flooring
- Mirrored door on medicine cabinet
- Tecma toilet system
- Vent blower Seamless fiberglass stall shower with one-piece glass door
- S/S oval port light with screen
- GFI (110V only) AC outlet
- Onyx in shower floor
- Onyx shelves in showers
- Foggy glass in port guest head

CREW QUARTERS

- Captain's cabin
- Cedar-lined hanging locker with automatic lighting
- Galley with cooktop, sink, microwave and refrigerator
- 20" LCD TV with DVD/CD audio stereo and video system
- Storage locker
- Drawers under bunk
- 110V Outlet under captain's bunk
- Secondary access via swim platform
- Maytag 2400A WW stacked washer/dryer

- Head with stall shower
- Foggy glass in shower
- Half-high wall in head

PILOTHOUSE

- Sunken and extended dash with instrumentation
- U-shaped dinette with chart drawer beneath
- Granite top table with storage cabinet beneath
- Windshield defrosters
- Water-tight doors to side deck
- Phantom screen with dedicated wood box for side doors
- 24v LED lights
- Ultraleather Bayon Blue for helm/mullion dash
- Second electric STIDD helm seat in pilothouse (bayon blue ultraleather)
- Pop-out service door for electronics computer under settee

CONTROL AND NAVIGATION

- 360 Commercial Zenon searchlight with FLIR w/3 sets of controls
- Two control stations: Flybridge & Pilothouse with complete engine instrumentation with lighted, modern switches. Maretron in 3 locations. Octoplex in 4.
- Navigation package with NEMA 2000
- International navigation lights
- Third control on aft deck (engine & thruster)
- Electric engine control
- Engine alarm system, audio oil and temperature
- Engine hour meters
- Complete engine instrumentation, two stations/CAT
- Heavy-duty Kahlenberg air horn
- Powermax amplifier/repeater system
- Nobeltec navigation on Dell computer
- KVH Satellite TV antenna
- KVH multiSat control panel
- HDTV satellite receivers (5)
- Axis camera system
- Charlex C-phone 93 communication w/handset
- (2) Icom VHF transceiver with repeater on flybridge
- Rupp VHF antenna
- Simrad AP28 Autopilot
- Accu-steer reversible pump
- Furuno Navnet Radar
- Furuno FUR-MFDBB black box
- Furuno LCD chart plotter
- Furuno network sounder
- Maretron GPS antenna
- Furuno BBW GPS antenna
- Maretron weather station
- Netgear Ethernet switch
- Furuno AIS receiver
- Newmar hailer

- Extra speakers in Pilothouse and Flybridge connected to Salon entertainment system with volume control in each area
- Glass bridge monitors

HULL, SUPERSTRUCTURE AND DECKS

- Carbon fiber-infused composite hull and decks
- Longitudinal and lateral fiberglass stringers filled with high density foam
- Fiberglass hand laid with "vacuum bag technology"
- White gelcoat on exterior
- Airex C70.90 PVC foam construction above waterline
- Fly bridge seat w/storage underneath
- Blue boot top stripe
- Tempered and safety glass
- Fiberglass settee with oval teak table on aft deck
- Deck, superstructure and flybridge with AL600 aluminum I-beam reinforcements
- Steelhead SM 1750R davit (hydraulic boom, rotation and extension)
- Interior structural components all bonded to hull
- Reinforced collision bulkhead
- Hard top
- Interprotect epoxy based antifouling/anti osmosis system
- Convenience lights, lower deck and fly bridge
- Teak side decks, aft deck, swim platform, fly bridge, and forward decks
- Swimming ladder
- (4) U-shape rails on swim step, extra set of placement holes for when one rail is moved
- Tinted frameless window
- Fire Magic gas BBQ grill on fly bridge
- Sink, refrigerator, and icemaker
- Second and third bottle storage to locker on fly bridge
- Sea water washdown at fly bridge
- Teak swim step
- Teak side decks for main deck
- Teak aft deck
- FRP bar cabinet w/sink and stools on aft deck
- Cabinet w/built-in flat screen TV, refrigerator with icemaker on aft deck
- Hot tub on fly bridge deck
- Safety rail & GRP cabinet with shower set and hot water spigot inside, shower pole on top
- Fly bridge table top corian with standard bevel bullnose
- Granite aft deck bar countertop w/standard bevel bullnose
- Additional AC air handler for engine room and (2) for fly bridge, chilled water
- Boarding gate next to pilothouse port door
- Hinged mast head light for bridge clearance
- Railing on both sides of all stairs
- Air compressor adapters at lazarette, engine room and fly bridge
- Handheld shower attachment to hot tub for shower on fly bridge
- Deck safety lights and steps at sides of hot tub
- Aft deck control station
- Boat deck sliding hatch with safety rail
- Stainless steel safety gates with glass inserted at both sides of aft deck
- Flip-up rail w/removable middle rail for boarding ladder

HARDWARE AND GENERAL EQUIPMENT

- Sakura steering wheel inside & S/S on Flybridge
- Stainless steel plow anchor 125lbs
- 2" elliptical S/S handrails on main deck, 1-1/2" on Flybridge
- S/S cleats & hawse holes
- S/S anchor roller
- S/S swivel anchor light bracket
- Trim tabs
- Muir VRC4000C windlass
- Sea- & fresh-water wash down, at bow & stern
- S/S handrails on back transom
- Watertight doors at pilot house
- Keypower hydraulic bow thruster 36hp, stern 25hp with proportional control
- High performance, computer-designed and machined class "S" propellers
- Pantograph windshield wipers & washers w/intermittent function
- Fresh water wash down on fly bridge and anchor locker
- Propeller shafts, Aquatech 22HS
- Bronze through-hull fittings
- Zincs on rudders, shafts & trim tabs
- Teak bow and stern staffs
- 3M Thinsulate system for sound and temperature
- (2) STIDD mechanical helm seats in fly bridge (white)
- Bronze struts w/cutlass bearing
- S/S rudders
- Aft deck shower, dock-side water (one unit)
- TV/phone inlet (one unit)
- Keypower hydraulic stabilizers
- Lighted OA logo
- Quash and lead foam sound and vibration insulation
- (3) Underwater lights
- Isolated hot water heaters

ELECTRICAL SYSTEM

- Heavy-duty batteries, 4 each AGM 8D batteries for engines, 4 AGM 8D batteries for house bank, AGM 4D battery for each generator
- Engine battery disconnect switch
- Battery paralleling system with control switch
- Service battery switch
- 4000W inverter/charger (pure sine wave)
- GFI reset in the main electrical panel
- Vimar switches and outlets
- 24V lights in all compartments
- Floodlights aft hardtop (1), aft boat deck (2)
- Polarity reverse indicating light
- Marine-grade, tinned copper wiring
- VOLT and AMP meters
- Navigation cellular amplifier (PowerMax DA4000SBR)
- Bonding system throughout

- Octoplex system with AC/DC distribution panels at three locations
- Shore power receptacle 100+50amp in transom w/cable master
- Phone jacks at MSR & salon
- Dimmers for salon and MSR sconces
- 24 Volt system
- Chain counter for anchor

ENGINE ROOM

- Headhunter pressure fresh-water system
- Headhunter sea water system
- Two 30-gallon water heaters
- 24V shower sump pumps
- Emergency engine driven bilge pumps (2)
- Dripless seal for rudder post
- Aluminum fuel tanks with sight gauges
- Fuel polishing system
- S/S water tank w/sight gauge
- Holding tank plumbed dockside for overboard discharge
- Common drainage system for sink, shower, bilge & exterior deck
- Fresh-water outlet with hose for engines & generator
- Europe inverter frequency system for worldwide travel
- Select switch in between A-SEA & 100A isobooster
- Extra 4KW inverter as back-up
- High -ater bilge alarms
- Dripless engine shaft seal logs
- Trailing pumps on both engines on 2F gear box
- Lighted bilge
- Holding tank gauge in pilot house
- Both side fillers for water & fuel tanks
- Oil changing system for both engines and gensets
- S/S cap on transverse stringers in central walkway
- Power steering system
- Central vacuum system
- S/S rail on side of engine
- Sea chest for raw water intakes
- Engine room 3" lead/foam sound insulation
- Racor fuel/water separators - engines & generators
- Complete Delta "T" engine room positive pressure system with pressure sensors, logic computer and variable speed fans
- Engine isolation switches
- Aluminum diamond plate flooring in engine room
- AC/DC lights with anti-explosion type in engine room
- AC outlet
- Color-coded piping for fuel, water and hydraulic system
- Underwater exhaust system
- Bilge pump in forward and aft of engine room
- Toilet discharge loop vented to overboard
- Sylomer floating floor system
- Detailed stringers in engine room and lazarette

- Dry bilge area arrangement in center of engine room
- Fire extinguisher system with engine-shutdown feature
- Custom SS overhead tool boxes (2) in engine rooms

EXCLUSIONS

- Tender
- Tools
- Personal items

Mechanical Disclaimer

Engine and generator hours are as of the date of the original listing and are a representation of what the listing broker is told by the owner and/or actual reading of the engine hour meters. The broker cannot guarantee the true hours. It is the responsibility of the purchaser and/or his agent to verify engine hours, warranties implied or otherwise and major overhauls as well as all other representations noted on the listing brochure.
