Summary/Description

REEL DRAG is a 2016 Viking Yachts 62' Convertible with a three stateroom, three head layout. This VIKING 62' is powered by twin Caterpillar C32A diesels rated at 1925hp each. This 2016 Viking Yachts 62' Convertible REEL DRAG features a recently installed SK26 SeaKeeper with warranty, Furuno Sonar installed April 2023, and is ready for your next offshore adventure.

Vessel Walkthrough

REEL DRAG features a beautifully decorated and extremely roomy three stateroom, three head layout with an extremely functional salon, galley, and dinette on the main level.

The master stateroom is amidships to starboard. Features include athwartship queen berth, adjoining head/shower, full bank of hanging lockers across the aft bulkhead, twin nightstands, a framed-in television, dresser, abundant hanging locker, and access to a private head offering shower with glass shower door.

The forward stateroom is Viking's optional VIP layout which features lower berth for two to port, single upper berth to starboard, large hanging locker, TV, storage drawers and doors and immediate access to the private head offering shower with glass shower door.

The port guest stateroom sleeps two on twin lower berths, hanging lockers, TV, and abundance of storage and access to a head, which is also accessed from the companionway for day use. The head includes shower with glass shower door.

The laundry center is accessed from the companionway.

On the main deck, a large L-shaped lounge is aft to port. The very functional dinette is forward to port, and the custom galley is opposite to starboard. There are (6) drawers of SUB ZERO refrigeration, cooktop, concealed trash can, microwave, and an abundance of door, drawer, and slide out storage.

The woodwork features beautiful walnut cabinetry with a gloss finish. Liberal use of granite, custom Amtico flooring, upgraded wallpaper, and fabrics, optional crown molding, and numerous designer touches, combine to display a very inviting, tasteful interior.
