Summary/Description

This 2011 Hatteras 64 Convertible STIHL LEADER has been meticulously maintained and is in mint condition from the top of her tower to her bottom paint. A 2011 pedigree yacht with highly sought-after C32 CATs, her engine room is impeccable as well. STIHL LEADER's performance and creature comforts make this yacht one of the best values on today's market. 1000 hour service just completed and aftercoolers replaced. February 2024 updates include:

- Entire boat painted awlgrip Cloud White with navy blue boot stripe
- All exterior soft goods replaced on bridge and cockpit
- New bridge enclosure
- New teak cover boards, teak coaming, and teak mezzanine
- Bottom job
- New Rupp outriggers

STIHL LEADER EQUIPMENT

Vessel Overview

This Hatteras is the finest pre-owned yacht on the market hands down!! The boat has been meticulously maintained and is in mint condition from the top of her tower to her bottom paint.

STIHL LEADER is a proven yacht of this pedigree that her knowledgeable owners have exceptionally maintained since her launch. She features a Seakeeper 18 (installed July 2022) with 175 hours, a new bow thruster (installed March 2022), and all-new Customized Cuddle Down bedding that promises owner, guest, and crew comfort. She is in excellent condition and is the ideal choice for an owner seeking a yacht with an outstanding track record, generous guest accommodations, and an overall well-kept appearance. STIHL LEADER successfully passed her 10-year survey and was notably one of the cleanliest surveys ever completed by the professional that fulfilled her report.

The yacht's interior showcases a simple, warm, and welcoming design. Her main salon is spacious and centered around relaxation with a U-shaped sofa and armchair. The surrounding windows let in plenty of natural light and excellent visibility of the passing scenery. Her aft window allows for front-row views of the action in the cockpit. Her galley is well-equipped with the expected appliances for guests to prepare meals onboard including refrigerated, Sub-Zero storage. There is a dedicated dining area to starboard.

STIHL LEADER's four cabins comfortably accommodate eight guests. The master cabin expands the full width of the yacht and offers a centerline king-size bed and a spacious 92-inch hanging locker to store all guest belongings. The light and bright paneling were replaced in 2022, and her mattress is brand-new. The VIP cabin is queen-sized, with plenty of storage beneath and custom cabinetry. Her port stateroom features twin berths, while the starboard cabin offers over/under berths and lots of storage. Her warm and welcoming cabins include their own separate air conditioning and temperature controls for optimal comfort.

The yacht's exterior deck spaces are functional and uncluttered. Her cockpit is spacious and allows guests to move around and fight fish easily and features a nice observation area with seating. STIHL LEADER's flybridge is a great place to hang out away from the action down below and relax on the U-shaped alfresco sofa while the captain is stationed at the helm with the Custom Palm Beach-style throttles with built-in bow thruster controls.

Her owner spares no expense in her maintenance or her upgrades. This yacht features a Seakeeper with 175 hours, a

new Side Power bow thruster with custom throttle controls, and new Humphree Trim tabs. Her performance and comfort make this yacht one of the best values on today's market.
