Summary/Description

One of the best riding hulls on the water is notably the 58' Hunley-Sullivan. If you're in the market for a Custom Sportfish, then this 58 Hunley-Sullivan is a must-see.

One of the best riding hulls on the water is notably the 58' Hunley-Sullivan. If you're in the market for a Custom Sportfish, then this 58 Hunley-Sullivan is a must-see. Completely refit between 2018 and 2024, this cold-molded hull provides a soft and comfortable ride, that people have come to love in a boat designed by the well-known marine architect, Donald Blount. Randy Dixon used these designs and built a fantastic boat that gives you everything you need to be comfortable and safe far away from shore. The boat is powered by twin 1050HP MAN engines with all of her services up to date. "Will Rise" cruises at 29 knots burning approximately 65 g/hr.

The current owner has steadily continued to improve and upgrade her since purchasing it three years ago. Significant upgrades include: (2) SeaKeeper 5's installed, All new interior refit including all soft goods and Cambria Quartz countertops, Custom live-well and tuna tube system installed, Teak deck and mezzanine were replaced 3 years ago, all new LED lights throughout the boat, all Garmin electronics, new JL audio sound system, 2 new 500-gallon fuel tanks (1000gal total) 2020, and Dometic ice chipper replaced. A new modular water maker was also added during her refit just to name a few. Call today to arrange your private showing she is maintained by a full-time crew and can be seen easily.

Upgrades 2018-2024
