Summary/Description

BELLAGIO is a stunning example of the ever popular Hatteras 75 motor yacht. For cruising and entertaining this yacht is hard to beat! BELLAGIO has had the luxury of a long list of updates and upgrades in recent years.

BELLAGIO, a 2000 Hatteras Sportdeck Motoryacht, stunning example of the ever popular Hatteras 75 motor yacht. For cruising and entertaining this yacht is hard to beat in this price range. A very good sea boat the BELLAGIO will cruise comfortable at 23 knots. Maple woodwork is complemented by a completely custom decor package with soft earth tones that are easy to personalize with whatever theme color you choose. Popular as an owner operator design, there are five staterooms and five heads for accommodations for ten guests, or bring your crew along and still have room for four couples or two families.

The galley is large and wide open to the salon. A beautiful aft deck and huge flybridge make this model ideal for outdoor gatherings. BELLAGIO has had the luxury of a long list of updates and upgrades in recent years. With a new bottom job she is ready to enjoy.

Layout

BELLAGIO boasts a five stateroom layout with the desirable maple wood interior. The main salon has dining forward with seating for up to 8 persons. A pass through opening from the dining area into the galley gives an impression of a larger space. The galley is reminiscent of those found on much larger yachts and features a dinette to starboard and an array of updated, full sized appliances to port. Forward is the pilothouse with updated electronics, leather helm bench, wing doors. Port and starboard. Stairs lead up to the flybridge. The oversize flybridge features ample bench seating, brand new cushions and canvas, wet bar, davit, built in stainless BBQ gas grill and stainless n or staple rails all around the aft sun deck area. This area provides storage space for a substantial dingy should the new owner want one. The davit is rebuilt and ready.

2016 - 2022 Major Upgrades

- New custom fabricated fiberglass swim platform with ladder - hydraulic platform removed (2021)
- New Bimini top over fly bridge (2017)
- Custom fabricated flybridge grill cabinet with SS gas grill (2016)

- New teak chairs flybridge and aft deck (2021)

Salon

The full-beam salon is spacious and the interior joinery is cherry wood throughout. The entertainment system is housed on the starboard side of the salon along with bottle/glass storage. All windows have Roman style shades, tinted and extend the length of the salon. Salon aft door is electric with Door-O-Matic components. New carpeting throughout. In the aft port corner is a pop-up TV in a cherry wood cabinet. The dining area accommodates up to 8 Guests. There is also a factory installed hidden sliding doorway to block off pets or youngsters from going down the master stateroom companionway.

Galley

The galley is located forward of the salon on the main deck level. There is a beautiful dinette with granite table to starboard. Galley remodel with walls removed for open floor plan.

- Whirlpool refrigerator/freezer w/icemaker (new appliances)
- Extra custom cabinets for additional storage
- New cooktop stove
- New microwave/convection oven
- New double sink with single lever faucet and new garbage disposal
- Storage in drawers, lockers & cabinets
- New granite countertops

Master Stateroom

The full beam master stateroom in Bellagio is a study in spaciousness. The huge walk in closet has two safes, the bathroom has a jacuzzi bathtub and his and her sinks and all of the toilets are upgraded to the quiet Headhunter model. There are built in nightstands on each side of the bed and four huge portlights provide views and natural lighting if desired.

- King size bed with custom mattress
- Generous storage drawers
- Walk-in cedar lined closet
- Entertainment system
- Large private head
- Dual sinks
- Vanity
- three medicine cabinets
- Jacuzzi tub & shower
- Master stateroom mattress upgraded
- New carpet
- Direct access to the engine room

VIP Stateroom

- The VIP guest stateroom is wide open, well lit with natural lighting thru a huge portlight , direct access to the engine room and has two full size hanging lockers.
- Queen berth that can be split to create twin berths
- Located forward midship
- TV
- A/C controls
- Port lights
- Ensuite private head
- Jacuzzi tub, shower & vanity and medicine cabinet
- New carpet and bathroom flooring

Forward Stateroom with Twin Berths

- The forward stateroom has an ensuite bathroom and excellent storage throughout. Down three steps from the forward foyer this stateroom is well suited for full size adults, kids or crew.
- Oversized Over/under bunks to starboard

- Storage drawers
- Hanging locker
- Port lights
- TV
- A/C controls
- Overhead hatch
- Private head to port with vanity & medicine cabinet
- Stall shower
- New carpet and bathroom flooring

Midship Stateroom

Located to port from the forward foyer this spacious guest stateroom has walk between twin beds. Access to the head is directly across the companionway.

- Twin berths
- Storage drawers
- Hanging locker
- A/C controls
- Private head with vanity, storage locker & medicine cabinet.
- Stall shower
- New carpet and flooring in the head

Captain/Crew Quarters

Located aft between the master stateroom and (direct access to) the engine room this small stateroom has an ensuite head compartment and will work well for crew members, a nanny of kids.

- Over/under berths
- Single bunk with Pullman above
- Head with shower
- Storage
- New carpet and bathroom flooring

Electronics & Audio Visual Equipment

All electronics have been updated within the last five years, including a substantial upgrade in 2021.

- (4) Garmin GPSmap7610 multifunction touch screen displays (2 at each station) (2017) plus a Garmin GPSmap7616 touch screen display at the lower station (2021) for the 72 mile radar, chart plotter/fish finder, wind instrument, Sirius Weather
- (3) Garmin GH20 multifunction displays at the lower station and two (2) on the flybridge (2021)
- New Simrad Autopilot, pilothouse and flybridge (2017) with full function hand held remote flybridge (2021)
- ICOM 604 VHF, 2 station (8/2017)
- SeaHailer, hailer/electronic safety signals (2016)
- New wind anemometer added (2017)
- New KVH HD sat TV system and 5 new HD Direct TV receivers
- Cat Vision electronic engine monitors
- Hatteras safety monitor system
- Vinimar monitoring system for all tank levels
- Ritchie compasses

- ACR spotlight control
- CCTV system for engine room and stern

- New stainless steel rails added around flybridge aft deck (2017)

Aft Deck

- Teak aft deck area with stainless steel rails
- L-shaped lounge, aft deck port side with Corian table and storage
- Built-in custom cabinet with corian top
- Icemaker, refrigerator new 2017
- Electric entry door slides to port side for main salon entry
- Custom entry gates, port & starboard on sides for tide ride entry

Deck & Hull

Bellagio features a very spacious aft deck with factory built in seating, a factory bar with updated appliances, teak deck and stairs to the cockpit. Custom boarding access from dockside is provided and the bulkhead between the aft deck and the salon offers three huge windows allowing wide open views between the two areas. There is generous storage and direct access to the cockpit and the lazarette. This big aft deck is one of many excellent features made available when Hatteras introduced the 75 and discontinued the 74.

- New bottom job, January 2024
- Grip-Tex non skid surfaces
- Exterior covers & cushions new (2021)
- Deck has bow seat w/cover
- Maxwell 3500lb windlass, chain & anchor

- New anchor (2017)
- Stainless steel stanchions w/large bow pulpit
- Hydraulic fold down arch option to easily lower arch
- Main deck and flybridge port & starboard custom wing controls stations for easier docking
- Nautical Structures davit w/fold-out boom extension & hydraulic rotation
- Custom fabricated aft deck boarding gates added for direct aft deck access from dock
- LED lights installed in eves/walk around (2017)
- LED courtesy lights
- Boot stripe in beige to match Bimini (2017)
- Props tuned (2021) and shafts pulled and checked (2017)
