Summary/Description

The 2023 SeaVee 450Z is the flagship of the SeaVee line and offers an abundance of versatility.

The 2023 SeaVee 450Z is the flagship of the SeaVee line and offers an abundance of versatility. This SeaVee 450Z has all the right options including triple Release Trillion teak helm chair seating, with a second row seating as well, all with matching color to match Medium Gray hull and rest of the boat including speakers and motors. A few of her features include: SeaKeeper 6, Garmin triple screens, Joystick, maximum number of underwater lights (6), JL Audio Premium sound package, dual dive doors, carbon fiber outriggers, cabin with berth/table, head and shower, pull out mezzanine seating and a large lounge forward of the helm. Other notable options include a custom designed full gap powder coated tower with controls, 5 insulated fish boxes with a combined 450 gallons of capacity, and 4 live wells including one in the bow sole. This 2023 SeaVee 450z is the latest model available on the market, with extended engine warranty until 2028, so why wait for a new one? Rigged with Quad Mercury 450R outboards with a wide range of cruising speeds and a top speed of well over 60 mph. Come see this jewel and get your hands on the latest 450Z SeaVee before someone else does.
