Summary/Description

The 41 Bahama is widely regarded as one of the best offshore Center Console hulls ever built. Her 11 foot beam, super deep V, 24 degree deadrise hull design and fully composite construction, combine to make a monster offshore fishing machine.

The 41 Bahama is widely regarded as one of the best offshore Center Console hulls ever built. Her 11 foot beam, super deep V, 24 degree deadrise hull design and fully composite construction, combine to make a monster offshore fishing machine. The 2014 41' Bahama FS "Dragonfly" was repowered in 2018 with quad Mercury 400R engines, providing excellent performance. Rigged for offshore, she boasts a full tower, large cockpit and a host of other features conducive to chasing large pelagics. Her sexy lines combine beauty and brawn. "Dragonfly" also has a softer side and creature comforts for those days spent family style. She has a large custom removable elevated aft seat, forward seating and a head under the console. You don't have to spend a million dollars to get into a semi custom, pedigree, quad powered offshore center console. Look no further than the 2014/2018 41' Bahama FS "Dragonfly".
