OVERVIEW

\$1,398,000

Manufacturer:	Okean	Hull Material:	Fiberglass
Engines:	2 Volvo	Cruise Speed:	
Engine Model:	D8 IPS 800	Max Speed:	
Engine HP:	600	Cabins/Heads:	3 / 2
Beam:	14' 7"	Fuel Type:	Diesel
Max Draft:	3' 9"	Fuel:	475 G (1798.07 L)
Water:	184.5 G (698.41 L)		

Data Sheet

Category: Motor Yachts
Subcategory: Flybridge
Condition: Used
Model Year: 2022
Beam: 14'7" (4.45m)
Max Draft: 3' 9" (1.14m)
LOA: 50' (15.24m)
Cabins: 3
Heads: 2

Fuel Type: Diesel
Hull Material: Fiberglass

Fuel Tank: 475 gal (1798.07 liters)
Fresh Water: 184.5 gal (698.41 liters)
Holding Tank: 30.3 gal (114.7 liters)
HIN/IMO: N/A

Engines/Generators

Engine 1

Volvo
D8 IPS 800
Inboard
600HP
447.42KW
Fuel: Diesel
Hours: 54

Engine 2

Volvo
D8 IPS 800
Inboard
600HP
447.42KW
Fuel: Diesel
Hours: 54

Summary/Description

This Used 2022 OKEAN 50 Fly with SeaKeeper Stabilization, and the upgraded VOLVO 800 Series IPS engines rated at 600 HP offers a unique design with the open concept our motor yacht clients are looking for.

This Used 2022 OKEAN 50 Fly with SeaKeeper Stabilization, and the upgraded VOLVO 800 Series IPS engines rated at 600 HP offers a unique design with the open concept our motor yacht clients are looking for. Engines are under VOLVO Penta IPS original warranty and have 54 Hr's on them.

Original warranty can be extended for an additional 36 month. The open deck spaces of the OKEAN 50 Fly creates the feeling of being outside with unobstructed views.

The innovative OKEAN 50 Fly showcases a premium interior space and comfort. With the hydraulically operated balconies in the open position, the overall beam is 20'7". The foldout terrace concept totally transforms this OKEAN 50 Fly yacht, giving guests a feeling of total freedom while on board. The main deck guaranteed to provide 360 degree views from any vantage point. The fly bridge on the OKEAN 50 Fly makes for another great spot for guests to lounge outdoors. Aside from a helm station with a full suite of electronics, there is a Wet Bar with refrigeration and BBQ grill. There is also plenty of comfortable seating with storage underneath.

Below deck, overnight accommodations consist of three luxurious cabins including a full beam owner's stateroom with en suite head. The two guest staterooms share a full head.

Hull and Decks

- Built to CE standards and ABYC
- Bronze alloy thru hull fittings bellow waterline and Stainless Steel above waterline
- Polyurethane white painted engine room ,lazarette, and bilges and anchor locker for easier maintenance
- Resin infused and blister resistant modified Vinylester resin in entire vessel
- Bonding system with sacrificial anode on transom
- Vinylester and polyester resins used for all structural laminates

- Stainless steel polished safety handrails on passageways and bow at main deck
- Hydraulic hinged aft side combings, that transform into Side Balconies with safety rails
- Fiberglass encapsulated foam stringers
- All cleats through-bolted to stainless steel backing plates
- Stainless steel polished bow anchor fashion plate
- Recessed Anchor Launcher System with polished stainless steel 35 KG anchor
- Automatic Anchor windlass with 100' chain 200' Rode; Controls at the helm and bow
- Anchor locker with dual hatches and freshwater wash down

Bow

- U-Shaped Seat with cushions
- Bow Seating w/ Table with Hi-lo Manual Pedestal (Sunpad or Table)
- Bow Sunshade System

Aft Deck and Transom

- Fresh water shower hot/cold at transom
- Aft deck seating with access to very large lazarette
- Engine Room access through aft deck hatch with stainless steel gas hatch lifts and ladder
- Additional lazarette access through transom door
- Stainless steel floating stairs to Flybridge, one-piece, with teak treads
- Recessed lighting under Flybridge hardtop
- Stainless steel Sliding and Folding doors with tinted laminated glass
- Molded steps to transom on both deck sides
- Stainless steel Transom Gates
- Recessed stainless steel swim and safety ladder at stern platform

Flybridge

- Alcor GTS adjustable Helm seat
- Helm console with instrumentation matching lower helm
- Forward facing seating to starboard with storage underneath
- Lounge seating on flybridge with storage and drink holders
- Sun lounge forward and starboard side cushions
- Large hinged FB access hatch
- Tinted Venturi windshield
- 12VDC and USB receptacle at the helm station

Galley

- U-Shaped galley with Corian countertop
- Stainless steel framed with tinted laminated glass windows that open to aft deck
- Stainless steel sliding windows on the portside of the galley that opens to the side deck and balcony
- Stainless steel sink
- Stainless Steel faucet
- Overhead LED lighting
- Integrated Microwave/Oven/Air Fryer - 26 LT located under counter
- AC/DC Refrigerators - 34 Gallons x 2 units
- AC/DC Drawer Freezer
- Storage cabinets and drawers
- Induction Cooktop 2-Burner

Salon

- Smart TV 49" LED mounted on hi-lo lift in cabinet with additional storage
- Salon to aft deck access through folding stainless-steel framed doors with tinted laminated glass
- Folding wood salon table with leather finish
- Cabinet and Furniture with leather inlays and contrasting top stitching

- Overhead LED lights recessed in headliner and indirect lighting behind valances
- L-shaped lounge seating with drawers underneath
- Salon flooring: Natural Teak
- (2) fixed skylights with laminated glass forward in salon for natural lighting
- (2) windows with tinted with laminated glass forward in salon on both sides
- Lower helm station with AC/DC switch panel, full instrumentation and electronics
- Alcor GTS Helm seat with adjustable height
- V-Kool heat rejection film installed

Master Stateroom (Full Beam)

- Private access to Master Stateroom
- 16,000 BTU/h Air-conditioning with reverse cycle heat and temperature control
- Queen-size bed with walk-around with hinged storage beneath
- Nightstands with 120VAC/USB receptacles on either side of bed with drawer storage and reading lights
- Vanity/Desk with drawers, shelf storage and 120VAC/USB receptacle
- Overhead LED lights and decorative indirect lighting under bed platform
- Laminated and tinted glass hull windows with opening portholes with screens for cross ventilation
- Smart TV 28"
- Large hanging closet with shelving and Automatic lights
- Privacy blinds for all windows
- Water heater electric (11.9 US gallons) in Master Stateroom

VIP Stateroom

- Smart TV 28"
- 10,000 BTU/h Air-conditioning with reverse cycle heat and temperature control
- Queen-size bed with walk-around with hinged storage beneath
- Lighting, overhead LED lights and decorative rope lighting underneath bed platform and behind valances
- Private access to day head
- (2) 120VAC/USB receptacles
- Storage cabinets, port and starboard
- Laminated glass hull windows with opening portholes with screens for ventilation, and privacy screens

Guest Stateroom

- Smart TV 28"
- Double bed with overhead bunk and foam mattress
- Overhead LED lights
- (2) 120VAC/USB receptacles
- Decorative ceiling and floor lighting
- 6,000 BTU/h Air-Conditioning with reverse cycle heat and temperature control
- Storage cabinet below the upper bunk
- Storage drawers
- Laminated glass windows with opening porthole with screen for ventilation, with privacy screens

Master and Guest Heads

- Fresh Water Electric Flush Toilet
- Corian countertops - Black
- Mirrored Cabinet Doors
- Ceramic Bowl Style Sinks - Black
- Overhead LED lights recessed in soffit and in ceiling
- Stainless Steel Tower bars and rings
- Receptacles, 12VAC with GFCI
- Shower stall access door, acrylic with stainless steel handle
- Overhead recessed rain shower head
- Natural Teak Wood flooring and Shower Seating
- Overhead and Lower vanity storage
- Exhaust Fan and opening port hole for ventilation
- Privacy shades

Engine Room

- (5) Automatic/manual bilge pumps with hi-water bilge alarm at helm
- Holding tank, 30.3 gallons with Y-VALVE and overboard discharge
- (2) Interceptor Zipwake - 750mm - (2) Control at each Helm
- Engine room air intake and exhaust ventilation system with (2) 11" Blowers
- Freshwater supply in engine room for general maintenance and cleaning
- DC freshwater pump system
- Fuel and oil supply lines are USCG approved
- Hydraulics for lowering and raising the side balconies with safety switch control and manual override
- Side gauges for fuel tanks
- Fuel/water separators for main engines and generator with vacuum gauges and clear bowls
- Seacocks: Bronze ball-type sea valves with trainers for all through-hulls below the water line
- Water heater electric (11.9 US gallons) In Master Stateroom
- Raw water engines and generator intake strainers, bonded

Electrical

- 12VDC Electric Air Horn
- 12VDC 120/240VAC ship's service throughout
- 12VDC and 120/240VAC power supply with breakers at lower helm station
- Bow Thruster with controls at both Helm Stations
- USCG approved international navigation lights
- Dry cell Batteries with independent 12VDC banks mounted in fiberglass vented boxes
- Service Battery charger: 100 amp
- Engine battery charger: 20 amp
- Battery switches for battery banks
- Engine Room lights, DC (LED)
- Engine Room 120VAC Receptacle
- Kohler 12KW generator with remote start at the helm
- 50AMP 120/240V shore power with 50' shore cord with Cable retriever

- LED interior lighting with dimmers throughout ceiling
- Electronic bonding system and galvanic isolator
- Receptacles 12VDC and 5VDC USB and 120VAC in designated areas
- GFI circuit protectors in designated areas (interior and exterior)
- VOLVO/ PENTA active corrosion protection

Miscellaneous

- Carbon monoxide/smoke detectors in detectors in designated areas
- Silhouette blinds throughout for desired natural lighting and additional privacy for all windows
- Complete USCG Safety Package
- Canvas covers for all exterior seating and Helm area Black
- Automatic fire extinguisher system in Engine Room

Engine and Propulsion

- (2) Volvo Penta D8 - IPS800 Diesel (rated at 600 HP each) with IPS15 steerable pods, Electronic Vessel Control (EVC) system and (2) Helm Station with Joystick maneuvering, Dynamic Positioning System
- Engine Hours 54
- Generator Hours 277

Electronics - Volvo Penta Glass Cockpit

Lower Helm:

- Volvo 7" Glass Cockpit Display, Two Volvo 12" glass cockpit displays
- Volvo joystick with docking and DPS
- Gyro Compass
- Zipwake Trim Tabs controls and Seakeeper controls
- Autopilot integrated
- VHF radio with intercom
- Bow thruster control
- Anchor windlass control
- Remote spotlight control

Flybridge Helm:

- Volvo 7" Glass Cockpit Display, Two Volvo 12" glass cockpit displays
- Volvo Joystick with docking and DPS
- Gyro Compass
- Zipwake Trim Tabs controls and Seakeeper controls
- Autopilot integrated
- VHF radio with intercom
- Bow thruster control
- Anchor windlass control
- Remote spotlight control

Additional Items
