Fuel: Diesel

Summary/Description

The sleek 2021 OKEAN YACHTS 55' SPORT is a magnificent showpiece in the emergent OKEAN YACHTS model line-up featuring the signature OKEAN "Open up Your World" design.

The sleek 2021 OKEAN YACHTS 55' SPORT is a magnificent showpiece in the emergent OKEAN YACHTS model line-up featuring the signature OKEAN "Open up Your World" design.

Both interior and exterior living areas aboard the OKEAN 55' SPORT are equally modern and stylish. The main deck lounge area is shaded by a large carbon fiber hard top and the helm is accentuated by a 360-degree view wraparound windshield. Air-conditioned, carbon fiber helm station features monitors for Garmin navigation suite and ship management system. C-Zone digital switching and monitoring, all viewable on Garmin helm monitors and iPad. On the foredeck guests are accommodated by ample wraparound seating for relaxing and entertaining. Seating offers storage below.

Hydraulic side hull combings on the 55' SPORT transform into "balconies" that expand the living space an additional 6'1". The beam increases from 15' 6" to 21' 7" allowing for more outdoor enjoyment space. On the aft deck is an expansive elevated sun-pad with storage underneath. This arrangement easily converts to become a large, open, alfresco dining area with lounge seating on both sides. In addition, there is a covered BBQ and sink with built-in icemaker. Optional natural Teak exterior decking is available for the OKEAN 55' SPORT. A hydraulic hi-lo swim platform can accommodate a tender.

Below deck offers climate-controlled overnight accommodations that consist of a private forward stateroom with a queen berth, full head, and separate shower. The 2021 OKEAN YACHTS 55' SPORT also includes a salon with a small galley and comfortable L-shaped lounging area with accommodations for 2-4 people.

Salon

- 32" LED TV HD mounted on the wall cabinet
- Folding Salon - Dinette - cocktail wood table - retractable
- All overhead lighting below decks are LED recessed in headliner and indirect decorative rope lighting behind valances

- Built to CE Standards and ABYC
- Bronze alloy thru hull fittings
- Gelcoat painted Engine Room, lazarette, and bilges and anchor locker for easier maintenance
- Resin infused and blister resistant modified Vinylester resin in entire vessel
- Bonding system with sacrificial anode on transom
- Vinylester and polyester resins used for all structural laminates
- White Isophthalic gelcoat for superior gloss finish, flexibility and outstanding weather and UV characteristics
- Hull and super structures are infused using PVC foam core closed-cell with e-glass hybrid fiberglass laminates
- One-piece stainless steel polished safety handrails on forward side decks
- Engine Room ceiling with acoustical and thermal insulation
- Molded non-skid decks and balconies for traction and durability
- Hydraulic hinged aft side combings that transform into side balconies with safety rails
- Fiberglass encapsulated foam stringers
- Vacuum bagged composite bulkheads
- (8) stainless steel bow, spring, stern and swim platform cleats
- All cleats are thru-bolted with stainless steel backing plates
- Recessed Anchorlift Technic XR 30 – polished stainless steel
- Automatic Anchor windlass with 50' chain with 200' of anchor rode; Controls at the helm and on the bow
- Anchor locker with dual hatches and fresh water wash down

Bow

- Sun pad with "U" format seat and sun lounge with upholstery
- Fiberglass champagne base with bottle and glass holder
- Isophthalic gel coat and natural teak flooring

- (4) Drink holders
- (2) Pop-up lighting
- (2) Speakers
- (2) Pop-up stainless steel cleats
- Anchor compartment access
- Fresh water cold shower at anchor compartment

Electrical

- 12V DC 120/240V AC ship's service throughout
- 12V and 120/240V power supply with breakers at Salon
- USCG approved international navigation lights
- Batteries; (9) dry cell with independent 12V banks mounted in fiberglass vented boxes
- (1) Master volt battery charger: 100 amp
- (1) Master volt battery charger for engine: 20 amp
- Battery switches for battery (3) banks
- Engine Room lights, DC (LED)
- Engine Room 120V outlet
- Onan 9 KW generator with remote start at the helm
- 50 AMP 120/240V shore power with 50' shore cord with cable master
- LED interior lighting with dimmers throughout
- Electric bonding system and galvanic isolator
- Receptacles 12V USB and 120V duplex in designated areas
- GFI circuit protectors in designated areas (interior and exterior)
- VOLVO active corrosion protection

Electronics

- (1) RAYMARINE AXIOM 12" multifunction display
- Helmsman Gyro Compass
- ZIPWAKE Trim Tabs controls
- Volvo IPS JoyStick Control
- Volvo electronic engine controls
- Volvo EVC 7" glass cockpit display
- RAYMARINE VHF radio
- Volvo autopilot integrated
- CZone control and monitoring system

Miscellaneous

- Carbon monoxide/smoke detectors in designated areas
- Silhouette blinds throughout for desired natural lighting and additional privacy for all windows
- (5) Fire extinguishers in designated areas
- Complete USCG Safety Package
- CANVAS covers for all exterior seating and Helm area
- Automatic fire extinguisher system in Engine Room

Mechanical and Engine Room

- Twin VOLVO PENTA IPS 950 (rated at 725 hp each) powered by inline 6-cylinder D8, 7.7 liter common Rail Fuel Injection Diesel, double overhead camshafts with twin entry Turbo and supercharger. Matched with IPS steerable pods, twin counter-rotating propellers, Electronic Vessel Control (EVC) system and Joystick maneuvering. VOLVO electric IPS Power steering. Autopilot included
- (7) Automatic/manual bilge pumps with helm monitoring system and hi-water alarm
- Holding tank 24 US gallons with overboard discharge
- Engine Room air intake and exhaust ventilation system
- Receptacles 12V USB and 120V duplex
- DC freshwater system
- Fuel and oil supply lines are USCG approved
- Hydraulics for lowering and raising the side balconies with safety switch control and manual override
- Side gauges for fuel tanks with shutoff valves
- Racor fuel/water separators for main engines and generator with vacuum gauges with clear bowls
- Seacocks: Bronze ball-type sea valves with strainers for all thru-hulls below water line
- Raw water engines and generator intake strainers
- Vibration mounts for engines and generator
- Water heater 220V AC electric (11,9 US gallons)
