Fuel: Diesel

Summary/Description

The desire for balance between the elegance of the external lines, coupled with the need to build structures suitable for extending total comfort to the owner and their guests, has produced the Azimut 50.

"M/Y True North" is a gorgeous 2021 Azimut 50' Flybridge Motoryacht. She features it all -- speed, style and a wonderful three stateroom/two head layout, with full beam master stateroom. "True North" is loaded with options from a joystick for easy maneuvering, to a Seakeeper NG9 gyro stabilizer, teak cockpit and swim platform decks and air-conditioned crew quarters.

Come take a look at 2021 50' Azimut Flybridge Motoryacht "True North", as she is truly like new! The owner has purchased Volvo extended warranties and "True North" is turn-key, ready for her next owner!

Vessel Walkthrough

"M/Y True North" is a gorgeous 2021 Azimut 50' Flybridge Motoryacht. She features it all -- speed, style and a wonderful three stateroom/two head layout, with full beam master stateroom. "True North" is loaded with options from a joystick for easy maneuvering, to a Seakeeper NG9 gyro stabilizer, teak cockpit and swim platform decks and air-conditioned crew quarters!

Climbing onboard the 2021 Azimut 50' "True North", you will notice the large swim platform and euro transom leading to a beautiful cockpit with wrap-around dining table, ice maker and a drawer style refrigerator. To port, you have a wide set of stairs that take you up to the flybridge. The flybridge features a large hard top with a soft top insert that easily transforms the large flybridge space. To port is a well-equipped helm with Raymarine electronics and, to starboard, you find a large sunpad and lounge area. Behind the stairs, you will find two large lounges facing each other and a refrigerator, sink and BBQ grill!

Entering the main salon of "True North", guests are taken back by the large wrap-around windows, that take full advantage of the natural light. You will find a large pull-out sofa with hi-low table that drops when converted to a bed and, to port, you will find a TV that can be lowered and hidden with the push of a button. Moving forward, this 50' Azimut features a well-equipped helm area to starboard, providing every amenity a captain could ask for! On the port side, you find a well-equipped galley with Miele appliance package.

Heading downstairs, you will find a landing area, that takes full advantage of the atrium style windows above to provide light. The landing area features the washer/dryer and a refrigerator. The full VIP head is just forward on the port side, and the VIP is all the way forward featuring large hull side windows and queen-sized bed. To Starboard, across from the landing, is a nice twin bunk room.

The full beam master stateroom is midship and is accessed by a private door. The master features a large full head, and

the king-sized master bed is situated on the centerline, with large hullside windows port and stbd. There is plenty of headroom, and room to walk around the bed to access the port and stbd additional storage drawers.

Come take a look at M/Y True North, as she is truly like new! The owner has purchased Volvo extended warranties, and she is turn-key, ready for her next owner!

Vessel Features Include:

- Advance Package
- Electric Mooring Winches in CKPT
- Double RACOR Filters for Main Engines
- Chaincounter Control at Lower Helm
- Additional Searchlight Control at Lower Helm
- Miele Appliances (Microwave Combo and Cooktop)
- Watermaker PREDISPOSITION
- Sunbathing Cushions on Bow in Grey Vinyl Fabric
- Potholder
- External Covers Package
- Maneuvering Joystick
- Bow Thruster
- Spare Conduits Connecting Engine Room/ Wheelhouse/ Radar Arch
- Hardtop LED Lights
- Teak Deck on Swim Platform
- Interior and Exterior LED Lighting
- Refrigerator Drawer in Cockpit
- Dimmers in Salon and Lower Deck
- Cockpit Table with Synthetic Marble Insert
- Flagpole
- Ice maker in Cockpit
- Set of Stainless Steel Cooking Pans

- Spare Zincs
- Glendenning Cable Master
- Flybridge Furniture with Sink, Refrigerator and BBQ Grill
- Extra Socket
- Dimmers in Galley and Flybridge
- Floating Line
- Scenic Lights in Lower Deck
- Cockpit Chair (MOD. OSKAR)
- Set of Pottery
- Wooden Floor in Salon and Dinette
- Crew Cabin w/ Air Conditioning
- Teak on Cockpit
- Co-Pilot Seat in Main Helm
- Starboard Salon Sofa/Bed w/Hi-Lo Table
- Sunbathing Cushions on Bow with foldable Backrest in Grey Batyline
- Lounge Furniture on Aft Fly
- Washer Dryer Combo Unit
- Tufted Finishing of Sofas Settees
- Fridge in Galley Plus Fridge in Storage Area
- Audio/Video Package
- Set of Linen for Cabins including Crew
- Set of Linen for Sofa Bed
- Raymarine Platinum Package
- Spotlights on Aft Fly
- Seakeeper Stabilizer NG9
- Additional Seakeeper Control Station of Fly
- Two Decoration Light Sconces in Salon
- Flybridge Table w/ Synthetic Marble Insert
- Upgraded Std External Cushions in Batyline Fabric

Get Premium Diesel Inboard Protection. For True Peace of Mind.

Passport Premier offers comprehensive, long-term engine package protection for your new or pre-owned vessel. Even entire engine assemblies are replaced if necessary. So you can enjoy your time on the water, knowing you are covered against costly repairs for years to come.

Passport Premier lets you head out with confidence:

- Long-term coverage on over 140 major engine parts
- Covers overheating, even detonation, lots more
- Repair reimbursement includes parts and labor
- Locking in now offers assurance against inflation
- Protection cost can be rolled into your boat financing
- All benefits are transferable for higher resale value

With expert service at any manufacturer authorized facility and plan management by Brunswick, a top U.S. boat and engine seller, it's coverage you can truly count on.

Comprehensive Extended Protection Benefits

Non-Defective Engine Breakdown

Engine Sensor Failures
Thermostat Failures

All service contract plan benefits transferable on resale – Add value to your boat sale.

Diesel Inboard/Diesel Wrap* Engine Package Protection

Controls: All parts contained within the manual/electronic engine or dual shift controls, neutral safety switch, shift switch, lever, control cables, motor switches, potentiometer, control panel, wiring harness, shift actuators, electronic throttle control assembly.

Cooling System: Engine circulating pump, heat exchangers, raw, gaskets.

Electrical: Alternator, voltage regulator, electronic ignition module, ignition coil, starter, starter solenoid, starter drive, electric choke, electric choke solenoid, engine wiring harness, ignition switch, all engine electrical sensors to include distributor ignition sensor, crank position sensor, cam position sensor, coolant temperature sensor ("CTS").

Engine: Crankshaft, main bearings, main bearing bolts, connecting rods, connecting rod bearings, connecting rod bolts, camshaft, camshaft bearings, pistons, piston rings, wrist pins, rocker arms, push rods, lifters, intake valves, exhaust valves, valve seats, valve guides, valve springs, valve spring retainers, valve covers, head gasket(s), valve cover gasket(s), timing chain, timing chain, timing belt, timing cover

gasket, oil pump, oil filter housing, engine oil cooler, flywheel, harmonics, balance, engine mounts, pump drive gear, head roller gears, turbo charger, waste gate, atmosphere intake manifold, all engine sensors/sensors, seals, gaskets.

Fuel System: Fuel injection pump, fuel injection pump mounting rail, fuel injector rails, fuel injectors, pressure regulator, fuel cooler, fuel management control unit ("FCU") module, all fuel system sensors to include manifold absolute pressure ("MAP") sensor, throttle position sensor ("TPS"), manifold air temperature ("MAT") sensor.

Pod Drive System:** Back up steering pump and control unit, steering position sensor, steering rod section, steering pump, oil pump, oil cooler, planet gear, disc pack, joy stick and associated wiring harness, trim cylinder, trim pump.

Steering: Steering control helm assembly, control rack and yoke assembly, power steering pump, power steering pump pulley, hydraulic steering pump, hydraulic steering cylinder, steering cable, power steering oil cooler.

Transmission: Transmission mounts, clutch plates, clutch drum, thrust plates, planetary gears, shift barrel, reduction gears, bearings, shafts, bearing carriers, hydraulic pumps, hydraulic pistons, valve body, drive plate, temperature switches, neutral safety switch, control valves, transmission oil-cooler, shift pressure transducer, seals, gaskets.

V-drive: Bearings, thrust bearings, bevel gears, shafts, shims, bearing carriers, drive plate, friction clutch plates, steel clutch plates, pressure plates, clutch drums, springs, snap rings, control valve, regulator valve, hydraulic pump, temperature switches, neutral safety switch, cooling rings, ring gear, v-drive oil cooler, shift pressure transducer, seals, gaskets.

Complete Assemblies: Engine block, cylinder head(s), cylinder barrels/sleeves, intake manifold, harmonics case, v-drive case, pod drive intermediate housing, will be eligible for reimbursement of damaged beyond repair by the failure of a covered component listed above (unless Optional Major Castings/Housings Upgrade is purchased - see your dealer for details).

Preserving The Dream

*Diesel Wrap Engine Package Protection is available on diesel units with a 5-year OEM engine warranty and is eligible for a 5-year term.

**Pod Coverage must be purchased separately and documented on the Registration Page by the buying Dealer at the time of delivery and submitted with the appropriate payment to qualify for Coverage.

Air Conditioner: (Four units to include two stowaway units, third stowaway unit or one split system unit, fourth stowaway to include chiller system) Compressor, condenser, heat exchanger, evaporator, thermostat, capacitors, relays, fan, control board

Bilge Blower: (Two units) Control panel switch, wiring harness, blower motor

Cable Master: Motor, limit switches (in & out), remote control

Central Vacuum: 110V or 220V vacuum motor, wall inlet valve

Clothes Washer/Dryer: Internal mechanical parts, motor, wiring, switches

Digital Depth Finder: (One in-dash stand alone unit) Head assembly, transducer, wiring harness

Electrical: Engine battery main selector switch, engine battery main solenoid switch, engine battery isolator, windshield wiper motor(s), engine hatch motor, engine hatch switch, air compressor, power vent window actuator and switch

Freezer: (One unit) Thermostat, cooling unit, power supply

Gauges: (In dash units) Tachometer, speedometer, compass, hour meter, oil pressure, trim, engine voltage, fuel level, engine temperature, dedicated engine digital multi-function gauges/display

Galley Cook Top: Thermostat, burner assembly

Grill: (Electric) Heating element, power supply and switches

Horn: Air horn, air horn compressor, air solenoid, control panel, electric horn

Ice Maker: (Two units, daily ice rate up to 40 lbs. each per day) Module, thermostat, cooling unit, power supply

Lighting: (Fixtures & switches only) Interior light fixtures, navigation lights, anchor light, docking light

Microwave Oven: (Two units) All models

Oil Exchange Pump: Motor and switch

Passerelle/Tender Crane: Hydraulic cylinders, hydraulic pump, wiring harness, control panel

Refrigerator: (Two units) Thermostat, cooling unit, power supply

Shore Power: On board receptacle(s), shore power main switch(es)

Spotlight: Control panel, horizontal control motor, vertical control motor

Stereo: (Two in-dash factory-installed units) AM/FM radio, CD player, CD changer, dash & transom mounted remote control panel, amplifier, satellite radio tuner, music player dock

Sonnhade: Electric or manual gearbox, actuators, mast control switch

Swim Platform: Hydraulic trim cylinders, hydraulic pump, wiring harness, control panel (in dash and transom wired remote)

Television: (Three units) Televisions only

Trash Compactor: Control switches, wiring, electric motor, compression components

Trim Tabs: Pump, glazing plates, trim cylinders, control panel

VHF Radio: Head unit, microphones/handsets, internal speaker

Water System: Fresh water pump, water heater, shower drain pump, faucet(s), transom shower

Waste System: Vacuum generator pump, macerator, head exhaust fan

Windlass: Electric motor, wiring harness, helm station control panel

Windshield Defogger/Cockpit Heater: Heating element, blower motor, wiring harness, control switches

12 Volt/24 Volt: Engine battery charger/converter, battery equalizer
