Summary/Description

This 2023 Everglades 335CC is on order with Bluewater Yacht Sales.

Now In-Stock and Available!

Integrating fishable function with elegant extras, the 33-foot vessel is one the whole family can get behind. The 335cc's refined layout allows for improved seating throughout. Anglers and their families will find enhanced luxurious bow seating - including removable forward-facing bow backrests. The new model also features larger, more lavish fold-down transom seating - providing a comfortable ride from virtually any seat.

In addition to its abundant amenities, the 335cc continues Everglades Boats' commitment to fishability. It's larger console and hardtop, plus the bigger built-in coolers and fishbox storage allow for any fisherman to drop a line with ease. The 335cc's bait prep area and tackle storage were reconfigured to provide a more intuitive experience on the new 335cc.

Our latest model also includes more standard features than its predecessor - the dive-utility door and premier stereo system with JL Audio speakers and a Fusion head unit.

Standard Features

CONSTRUCTION

- Unsinkable
- Lifetime hull warranty and 3 year component warranty
- Variable deadrise deep v-hull
- Patented closed molded RAMCAP construction process
- NMMA Certified
- Self-bailing cockpit
