Year: 2000

Engine 2

Crusader
7.4 L MPI
Inboard
320HP
238.62KW
Fuel: Gas/Petrol
Year: 2000

Summary/Description

Upgraded Electronics

New Bottom Paint Job 2023

Recently Replaced Exhaust Elbows and Coolers, Rebuilt Raw Water Pumps, Engine Tune-Up

The Silverton 352 Motor Yacht follows the tremendously successful big sister 392. Silverton took all the features that made the 392 a hit and scaled them back to the 352. Silverton's unique "SideWalk" steps allow freedom of movement from the bridge to foredeck. Cumbersome ladders have been replaced by wide molded steps and a high toe kick. Sturdy oversize stainless steel rails will keep passengers safe and secure even in a seaway. The center console flybridge will accommodate a crowd, while the standard aft hardtop makes entertaining and relaxing easy.

Electronics

New in 2018
