## Manufacturer Provided Description

The Yellowfin 24 Bay gives you uncompromising speed and fuel economy that will put you out front and allow you to travel further and faster than the competition in your inshore tournament. Designed from years of tournament fishing, you can be guaranteed that your next Bay Boat will float shallower, run drier and be built tougher than any boat in it's class. With two 30 gallon live wells you can be assured that your bait and winning catch will be as frisky as when you first caught them.
