Fuel Tank: 328 gal (1241.61 liters)  
Fresh Water: 101 gal (382.33 liters)  
Holding Tank: 48 gal (181.7 liters)  
HIN/IMO: RGMKD170J203

## Engines/Generators

### Engine 1

Volvo Diesel  
TAMD75 EDC  
Inboard  
485HP  
361.66KW  
Fuel: Diesel  
Hours: 1115  
Year: 2003

### Engine 2

Volvo Diesel  
TAMD75 EDC  
Inboard  
485HP  
361.66KW  
Fuel: Diesel  
Hours: 1115  
Year: 2003

## Summary/Description

The Regal 4260 Commodore packs a ton of space into a 44-foot boat.

PRICE ADJUSTMENT: The Regal 4260 Commodore packs a ton of space into a 44-foot boat. Ample room for entertaining with seating everywhere.

- The reliable Volvo Penta 75 TAMD EDC 485 HP DIESEL INBOARD engines with only 1115 hours power this boat to an easy 25 knot cruise and top out around 28 knots. Lots of recent engine service updates, see below.
- The two private staterooms with sliding doors makes overnight trips nice with your family or friends. Each state room also has its own head and shower.
- Re-painted hull stands tall with its new Awlgrip grey.
- All new Cockpit Upholstery and new 4-sided Enclosure also!
- The sea deck in the helm and cockpit space provides a nice, cushioned step.
- This boat is turnkey ready to go to its next owner.

## Helm

The raised helm deck provides great visibility while underway the port side settee allows guests to relax and take in the views. The aft seating is very comfortable, with direct access into the engine room through either the "day hatch" or through the large deck hatch that is on an actuator. The helm is equipped with a Ray Marine chart plotter with 4k open array radar, NEW Garmin GPS Map 8610xsv with j203 Volvo engine interface, Ray Marine autopilot, LED Lightbar to light up the night. All New/VERY NICE cockpit upholstery on bridge level. Another nice touch, there is a Wet Bar along the stbd side of the cockpit.

## Galley and Staterooms

The two-stateroom layout still provides ample seating in the salon and galley space with a large settee on the port side and the galley to the starboard. The master stateroom is forward with plenty of storage and separate head and shower makes it a great retreat. The twin stateroom is aft of the galley and has its own wet head.

- Kohler generator new starter 2015
- Kohler fuel pump was replaced 2019
- bow thruster solenoid replaced June 2023
- Additional deck fitting for pump out added 2021

## The Power Boat Guide Says

Flagship of the Regal fleet for several years, the 4160 Commodore (called 4260 Commodore in 2002-2005; 4460 Commodore in 2006-2009) is a high-style luxury sport yacht with a spacious, well-arranged interior and a particularly innovative cockpit layout. She rides on a beamy deep-V hull with propeller pockets, and her aggressive profile owes much to a gracefully integrated bow pulpit and a unique fore-and-aft arch design. Boarding from one of two transom gates, one is struck by the cockpit configuration. The elevated bridge deck is huge with a large U-shaped settee and table opposite the helm. A forward-facing bench seat runs across the transom with boarding gates on both sides. This is a very social layout since most of the guest seating is centered near the double-wide helm rather than aft as it is on most express cruisers. The 4260 features a plush two-stateroom interior is notable in that both cabins have pocket doors for privacy (rather than curtains) and each has its own head. Additional features include a walk-through windshield, cockpit wet bar, a power-assist windshield vent, foredeck sun pad, and a large transom storage locker. Twin 450hp Cummins (or 485hp Volvo) diesels cruise at 28 knots.
