Engine 1

Cummins QSB
QSB 6.7
Inboard
550HP
410.13KW
Fuel: Diesel
Hours: 1028
Location: Port

Engine 2

Cummins QSB
QSB 6.7
Inboard
550HP
410.13KW
Fuel: Diesel
Hours: 1028
Location: Starboard

Summary/Description

"Metanoia" is an outstanding example of the rare and beautiful Ferretti 450 Flybridge.

"Metanoia" is an outstanding example of the rare and beautiful Ferretti 450 Flybridge. Matching form and function, this yacht incorporates three staterooms, a full beam master, two heads with stall showers and a galley aft that flows nicely between the bright and airy salon and the aft deck. Matching the interior, the exterior has a large flybridge with seating, sunpad and wetbar with grill and refrigerator, a bow sunpad and surprisingly ample side decks for ease of passage. A hydraulic swim platform rounds out the exterior and at the heart of the beast are the super reliable and fully serviced Cummins diesel inboards. **For ease of maneuverability there is a bow thruster and Cummins joystick control (no pods) and for comfort underway and at anchor a SeaKeeper gyro stabilizer.**

"Metanoia" should be a must see for anyone entertaining a flybridge yacht in the 45'-50' range and honestly she would be absolutely hard to beat in layout, quality, performance and looks. A short list of features is below and we invite you to come take a look at this fine yacht by appointment for yourself.

- **SeaKeeper Stabilizer**
- **Cummins Inboards with Joystick Docking**
- **Bow Thruster**
- **Full Cummins 1000 hour Service**
- **Comprehensive Simrad Electronics Package**
- **3 Large Staterooms all with Smart TV's**
- **Full Beam Master Stateroom with Sitting Area**
- **Two Heads both with Stall Showers**
- **Upper and Lower Helms**
- **Large, bright and airy Salon with ample seating and table space**
- **Salon TV on pop up Lift**
- **Full Feature Galley Aft with Sliding Doors to the Aft Deck and Under Counter Appliances for an Open and Airy Feel**
- **Teak Aft and Side Decks**
- **Teak Stairs to the Flybridge**
- **Full Fusion Audio System**
- **Bow and Flybridge Sundaes**
- **Charcoal Painted SAT TV Domes and Radar Antenna**
- **Hydraulic Swim Platform**

Additional Comment:

"Metanoia" just relocated (Jan 2024) from the Chesapeake Bay down to Stuart, FL to encourage a sale. The owner and a highly regarded captain did the trip in four days and the boat performed flawlessly. This boat has the versatility to cruise at 25 knot or at hull speed, benefits from the reliability of inboards vs. pod drives, has a draft that makes her perfect for the islands, an air draft that makes her perfect for the Great Loop and a layout that is unheard of in a 45 foot boat. Perfect owner operator cruising boat that can truly do it all and with the comfort of a SeaKeeper stabilizer. Owners' new boat has arrived and they are motivated to sell.

ENGINE AND MECHANICALS

When the current owners purchased "Metanoia" in 2021, they had a comprehensive boat and mechanical survey done and took the list of recommendations to Cable Marine where an extensive effort was made to make this boat as up to date mechanically as possible ensuring as much reliability and care free enjoyment as possible. It worked as the boat has performed terrifically for the owners and encouraged them to move to an even larger boat after this one brought them so much enjoyment! Full receipts are available and at a cost of over 100k, this boat has seen the best of care, is up to date and ready to go!

- All Hoses and Clamps Replaced on Main Engines (July 2021)
- All Vulcan Couplings Removed and Replaced (July 2021)
