Summary/Description

Imagine a sportdeck so advanced nothing in its class can match its features, style and quality.

Imagine a sportdeck so advanced nothing in its class can match its features, style and quality. A boat so advanced it ran away with Boat-of-the-Year honors the first time it hit the water. The exceptional 284 Sunesta is by far the most advanced sport deck Chaparral has ever built. From the multi-purpose bow area, to the entertainment-minded cockpit, to the most functional transom design on the water, everything that makes Sunesta world class gets bigger and better on the 284. One look at the equipment list and you'll see we've left nothing to chance. Key options on other Sunestas that are standard on the 284 include a Power Slide aft seat, Premium Package, docking lights, a Garmin 530C GPS, dual batteries, trim tabs, a side mount table and a stereo upgrade. In the head, teak flooring and the cabinet with sink are also standard.
