Few builders are as well-known as Regulator for boats that deliver a great ride in rough seas as well as boasting top-of-the-line fit-and-finish and construction. Here, meet the Regulator 31, the fastest boat in the Regulator fleet. This particular boat shows 1054 hours but please don't be scared off by that # because they are beyond doubt the most serviced motors out there. Not only is the 1000 hour completed every other service has been done. This particular vessel has been treated, maintained and serviced with an open checkbook. Current owner has added a multitude of options, including FLIR Night vision, extra 12v outlets for dredges or deep - dropping. This family fishes and plays hard. That is why they have picked and have been very loyal to Regulator over the years. This boat is currently ceramic coated with no bottom paint and ready for her next owner. PLEASE CONTACT LISTING BROKER FOR A LOCAL SHOWING OR ANY QUESTIONS. DAVID BLACK (443-944-6122)
