Location: Middle

## Summary/Description

This one is a must see!

Priced to sell!!! Everglades 253 CC with single 300 white Yamaha engine and only 399 hours! This boat takes all the features of the incredibly popular 243CC and brings it up to the next level. All the options you're looking for including windlass, twin Garmin 7612 displays, Garmin VHF, J.L. Audio sound system, forward seating with seat backrests, livewell, rocket launcher, underwater lights, battery charger, helm seat cover, forward console seat cover and a full mooring cover to go over the entire boat! She even has an AmeraTrail tandem axle trailer. A perfect boat for the open Chesapeake and the skinny water tributaries.

## Courtesy of the Powerboat Guide

- Everglades was formed in 1999 by former Boston Whaler executive (and Edgewater Boats founder) Bob Dougherty and his son, Steven.
- Everglades is best known for their patented, Rapid Molded Core Assembly Process (RAMCAP) which makes Everglades boats virtually unsinkable.
- Everglade's RAMCAP technology won the 1999 National Marine Manufacturers Association (NMMA) Innovation Award.
- In 2005, the Everglades 290 Pilot Center Console won the NMMA Innovation Award.
- Fielding a full line of luxury center consoles, dual consoles and bay boats, most marine industry professionals consider Everglades boats to be at the top of their class in design innovation and construction quality
