Interior/Cabin/Salon/V-Berth:

- Galley:
- Microwave
- Refrigerator
- Stove (Electric)
- Sink
- Vacuflush Marine Head
- Air Conditioning (when connected to Shorepower)

Manufacturers Description

From the Manufacturer:

The Pursuit 3070 Offshore combines Express-style features with outboard power, creating a handsome, rugged performance package just as comfortable in open seas as it is cruising inland waters. The upper deck is centered by a custom welded, brushed aluminum windshield, stylishly designed, fully functional from the bridge, and complete with ventilating side windows. A wide, flush deck walkaround area enables easy access from the spacious cockpit to the forward bow. The ladder back helm seat is electronically controlled and conveniently located starboard, allowing a central entry to the cabin. A portside L-lounge is designed for relaxing and taking full advantage of the entertainment center, with optional icemaker, aft of the helm. An electronic lift of the bridgedeck reveals access to a lighted rod and gear storage area. The top deck is finished with cockpit coaming bolsters, a retractable rear lounge seat, a generous cooler aft, an insulated livewell, and a floor-mounted fishbox with a macerated overboard drain, and a practical transom door. The cabin features a teak dinette-style table and seating configuration with a cozy V-berth forward and a smaller diagonal berth amidship with storage beneath. The galley is complete with Corian counters, a microwave, an AC/DC refrigerator, and a stainless sink. A full, stand-up shower, vanity mirror and storage, plus a fully framed door are features of the VacuFlush head compartment. Teak and maple flooring throughout and decorator fabrics finish the 3070 interior with elegance and functionality.

From Powerboat Guide:

The Pursuit 3070 Offshore Express was one of a growing number of 30-foot-plus express boats introduced in the early 2000s with outboard power. Built on a deep-V hull with moderate beam and a solid fiberglass bottom, the 3070 Express is a handsome boat with a versatile layout and a full array of fishing amenities. No one does cockpits better than Pursuit?everything is within easy reach, and fit and finish is as good as it gets in a production boat. Standard features include an integrated swim platform, bow pulpit, 40-gallon transom livewell, removable in-deck fish box, foldaway transom seat, bait prep center with sink, tackle storage, windlass, aft-facing jump seat, cockpit bolsters, rod holders (6), transom door, recessed trim tabs, raw-water washdown, full-height bow rail, and dive ladder. The aft bridge deck lifts to reveal cavernous storage compartment below. The 3070?s comfortable midcabin interior with teak-and-holly sole sleeps four and includes a galley with fridge, standup head/shower, convertible dinette, and offset double berth forward. Twin 250hp Yamaha outboards deliver a top speed of about 40 knots.
