Manufacturers Description

The Sundancer 320 Outboard continues a bold new chapter in the Sundancer story, blending the values of a cruiser and a sport boat/bow rider in one compelling and harmonious package. Thanks to an inventive reexamination of deck architecture, the bow area is more usable than ever before; meanwhile, the cockpit affords effortless, versatile enjoyment of the water, and the cabin provides a comfortable place to get out of the sun or tuck in for the night. Outboard power comes with zero tradeoffs in terms of space, comfort or enjoyment. A true natural, the Sundancer 320 Outboard reimagines the possibilities of how a cruiser can look, feel and perform. This model is also available with a coupe option.
