## Summary/Description

One of the last Baia Panthers built with the bigger MTU 2000 engines. These yachts had the new layout and new dashboard design.

One of the last Baia Panthers built with the larger MTU 2000 engines. These yachts had the new layout and new dashboard design. The boat tops out at 52 mph. She is definitely one of the fastest boats ever built with amazing seakeeping capabilities

Alchemy has been meticulously maintained. Upgrades were just completed in 2023

The interior and exterior are beautiful and maintained year round.
