Deadrise: 23°
Hull Material: Fiberglass

Displacement: 30864 lbs
Fuel Tank: 396 gal (1499.02 liters)
Fresh Water: 53 gal (200.63 liters)

Engines/Generators

Engine 1

Mercury
400R Verado
Outboard
400HP
Fuel: Gas/Petrol
Hours: 60
Year: 2019

Engine 2

Mercury
400R Verado
Outboard
400HP
Fuel: Gas/Petrol
Hours: 60
Year: 2019

Engine 3

Mercury
400R Verado
Outboard
400HP
Fuel: Gas/Petrol
Hours: 60
Year: 2019

Engine 4

Mercury
400R Verado
Outboard
400HP
Fuel: Gas/Petrol
Hours: 60
Year: 2019

Summary/Description

RECENT PRICE REDUCTION FOR IMMEDIATE SALE!

FACTORY DEMO. FULL NEW BOAT WARRANTY

Extended Mercury Factory Warranty through November 2024

DON'T LET THIS ONE GET AWAY!

AN ABSOLUTE HEAD TURNER THAT COMBINES POWER WITH STATE OF THE ART TECHNOLOGY IN AN EXQUISITE AND ELEGANT DESIGN.

The TS48 is a versatile boat and immediately recognizable by the elegant and aggressive lines of the exterior, and the luxurious design of the generous interior volumes. Powered by 4 Mercury 400R Verado engines, the TS48 cruises comfortably at 45 MPH and hits a top speed of 60 MPH!

Exclusive materials and tailored details make the TS48 an ideal tender or water limo to support the operations of a megayacht. The comfortable below deck cabin and en-suite full-height bathroom with separate shower(has a watermaker!), makes it the perfect weekend get away boat!

The TS48 is a boat that emphasizes outdoor life thanks to the layout of the main deck that is characterized by the large sunpads, generous seating & teak tables served by the sleek galley with built in ice maker, refrigerator and cook top. The port and starboard terraces open hydraulically and increase the usable space of the cockpit, bringing the total width of the boat with the terraces open to 21ft. There is plenty of room for stowing water toys in the large dedicated garage underneath the aft cockpit sunpad.

The perfect weekend get away!

Numerous Features Include:

- One cabin, one head (with shower)
- Limousine-style open cabin converts to a twin bed
- 4 x Mercury 400R Verado Outboards
- Dual Raymarine 19" GPS Plotters

- MASE diesel generator 4kW

- 12,000 BTU A/C system throughout
- 110/12V Inverter
- Watermaker
- Bowthruster
- Ice maker, Refrigerator, Cook top & ample storage space
- Oversized hardtop
- Soft Suntop with carbon poles
- Bow and cockpit sun pads
- Large garage/storage area
- PlasDECK Synthetic teak

Don't miss this incredible opportunity!

Special Features

The Seanfinity TS48's navigation is supported by the EASYLIFT patented system which automatically optimizes the performance and trim of the engines.

The system consists of a hydraulic lift which is managed by an innovative processor which optimizes the performance of the outboard motors at different hull speeds. The engine processes the engine data and positions the lift at the desired height and maximizes the power of the propeller.

Consisting of an electrical panel, an aluminum bracket with integrated hydraulic cylinder for each engine and a 7" touch-screen display which is controlled by the pilot. Pressing the "AUTO" button on the display, the system begins monitoring & controlling the motors. The system can also be controlled manually.

BENEFITS:

- Consumption optimization
- Speed optimization
- Perfect engine immersion during curves

This innovative product is suitable for all boats with high performance outboard engines with powers up to 650 hp.
