ON DISPLAY AT THE 2021 FORT LAUDERDALE INT'L BOAT SHOW

One of a kind custom built 2019 Sunseeker 86. Custom exterior colors, carbon fiber hard top plus carbon wraps throughout gives this Sunseeker 86 a sleek appearance where ever she goes. Owners imported custom fabrics, lighting and accessories to make this 86 one of a kind.

Attention to detail from bow to stern is evident in the handsome 86 Sunseeker. An abundance of interior natural light, American Walnut Satin Finish flooring w/ Gloss Finish wenge joinery, four extravagant en suite staterooms and thoughtfully arranged entertainment venues make this a premier example of Sunseeker design.

Yet, there's more to this yacht than just cosmetics. With her twin MTU 12V's @1950 hp each giving a top speed of approximately 30 knots, guests will enjoy an exhilarating open-air ride from the flybridge or enjoy a nautical landscape from seating areas both fore and aft.

Key Features and Upgrades

- Custom Navy Hull, with custom carbon fiber Hard top.
- Custom carbon fiber wraps throughout.
