- New 12' Caribe dinghy in 2020

Manufacturer Provided Description

Introduced in 1997, the Fexas designed Mikelson 43 Sportfisher has been built to fulfill Mikelson's entry-level sportfisher niche. Based highly on the popular Mikelson 50 Sportfisher, the Mikelson 43 Sportfisher offers many of the same attributes such as a large flybridge with aft tournament station, low center-of-gravity, custom interior layout, and a fast, smooth, efficient ride. Powered with optional twin 480C-E Cummins engines, the Mikelson 43 Sportfisher attains speeds approaching 30 knots. Priced significantly below the competition and with a fit second to none, the Mikelson 43 Sportfisher has set a new standard in the 40-foot range.
