Summary/Description

This boat has the best of both worlds. There is enough room for every body to do water sports or you can also fish all day.

This boat has the best of both worlds. There is enough room for every body to do water sports or you can also fish all day. There is plenty of storage for water toys and fishing gear. She has a bow and stern casting platform with removable swivel raised seats. There is an aft live well and removable bow trolling motor fish finder and custom trailer. The mercury 4.3 liter makes this boat economical and fun to run. If you are looking for a clean low hour Ski & Fish then this is it.

Manufacturer Provided Description

The new 21 Ski & Fish H2O has got superstar written all over it. As the centerline goes up, the casting platforms get bigger, the cargo space goes up and both helm console storage areas are standard. Inside, the flexible seating cockpit design is hospitable when it's family time and a first rate fishing boat when you've got hooks in the water. Options you won't want to be without include snap-in carpet, a protective bow walk-thru door, Garmin 150 fish finder, woodgrain dash and a swim platform logo mat. Additionally, you can upgrade either one or both of the standard bucket seats to an ultra-comfort pedestal complete with a flip-up front cushion. Anglers will love the protected rod storage, standard MotorGuide trolling motor and 70-quart livewell.
